Old member, Turcotte, Con. Westmoreland, N. B.--Powell, Con., 100 majority. Digby, N. S.--Copp, Liberal; 339 majority. Richmond, N. S.--Flynn, Liberal; 189 majority. Victoria, N. S.--Bethune, Con. RECAPITULATION. Accepting the reports so far received as final for each district, though it is likely that some of them will be changed, the members stand as follows: Quebec L. C. 1. Ontario 48 16. N. B. 45 41. N. S. 5 9. N. S. 10 10. P. E. I. 3 2. B. C. 4 2. Man. 4 3. N. W. T. 1 1. 123 87 5. This classifies all the anti-remedial Conservatives with the Tupper party, even including John Ross Robertson of East Toronto and Clarke Wallace of West York. The independents are the McCarthyites and Patrons, who will vote with Mr. Laurier. His majority may be therefore set down at 45. There are two districts not included in this table, namely, Algoma and Chicoutimi. The former has not yet been heard from, and the other election will not be held until the 30th.

PROVINCE IS LIBERAL

All the Districts Outside of Victoria Elect Supporters of Hon. Wilfrid Laurier.

In Burrard District Mr. Maxwell Polls as Many as His Two Opponents.

Mr. Anlay Morrison Has a Walk-Over in the Fraser Valley District.

Messrs. Bostock and McInnes Also Have Very Handsome Majorities.

Victoria is the only district in British Columbia that has elected Conservatives as representatives in the new parliament, which is to be presided over by a Liberal government. The four districts, outside of Victoria, have elected straight Liberal candidates. In Yale-Cariboo Mr. Mara was badly defeated by Mr. Bostock, in spite of the influence which were at work in the interest of the Conservative candidate. There are still several places to be heard from, but Mr. Bostock's election is conceded by over 200 majority. In New Westminster, as was expected, Mr. Anlay Morrison did not have much trouble in defeating Mr. McBride, although the latter gentleman's declaration against coercion, helped him considerably. In Burrard district Mr. Maxwell, the Liberal standard bearer, polled nearly as many votes as his two opponents, Mr. Bostock, as far as the returns received are concerned, having lost his deposit. Vancouver Island district also did its duty and has sent to Ottawa Mr. McInnes to support Hon. Wilfrid Laurier. Mr. McInnes had a great deal to contend against. The Liberal interest was all thrown on the side of Mr. Haggart, while the other corporations supported Mr. Haslam. Although Mr. Haslam had been practically read out of the Conservative party by the Colonist, he ran much better than Mr. Haggart. It is conceded that even if one of the Conservatives had withdrawn, Mr. McInnes would have been elected.

With four places to hear from, which will not materially alter the result, the poll in Burrard District now stands: Maxwell, Lib. 228. Bostock, Con. 1540. Cowan 1141. Bowser 425. NEW WESTMINSTER. New Westminster, B. C., June 24.--Morrison's majority in the city is 228, and in the district, with three small places to hear from, 322, making it 320, which is likely to be increased by the few returns not in.

TORY TIRE PUNCTURED

Sir Charles Tupper's Disastrous Tandem Ride With the Quebec Bishops

Has Ended in an Awful Crash Over the Precipice of Adverse Public Opinion.

Already the Satellites and Hangers-On Are Deserting the Discredited Leader.

Ottawa, June 24.--The feeling of enthusiasm among the Liberals here today is intense over the great victory of yesterday. There is particular rejoicing over the failure of Sir Charles Tupper to purchase the province of Quebec by his bargain with the bishops. Not only does Quebec send almost a solid majority for Laurier, but the majorities in each case are overwhelming, while the Conservatives are elected by small majorities. The greatest surprise for the Ottawa people was for Winnipeg to declare for coercion. A lot of money has changed hands on this account. Hon. Joseph Martin had many warm friends in Ottawa, his old home. The province, on the whole, has done well, and a solid Liberal representation from the Northwest is particularly gratifying. British Columbia has done remarkably well in sending four Liberals, the first time since confederation that the "ring" has been broken in the Pacific province. Sir Charles Tupper reached his office about eleven o'clock to-day. He looked very much dejected, and it is badly broken down. It is not known yet whether he will resign immediately or hang on for a few weeks, but it is likely that he will resign before parliament meets. He had nothing to say for publication on this matter to independent or opposition newspapers.

Lieutenant-Governor Dewdney of British Columbia, who has been here for the campaign, and who has been buoying up the government with the hope of a sweep on the coast, had a long interview with Sir Charles Tupper. Sir James Grant and Mr. Robinson, who were defeated here yesterday, also had an interview with Sir Charles, but very few people, even those who were declining in attendance upon the premier yesterday, wanted to see him to-day after he has been so hardly discredited in the country.

The Citizen, government organ, is astounded over the people of Quebec voting against the direction of the bishops. The flag is floating on the parliament buildings here to-day and everybody thinks it is sharing in the rejoicing. The fact is, it is St. Jean Baptiste Day and is a great day for French-Canadians in more ways than one.

Sick Headache CURED PERMANENTLY BY TAKING Ayer's Pills

"I was troubled a long time with sick headaches. I tried a good many remedies recommended for this complaint; but it was not until I began taking Ayer's Pills that I received permanent benefit. A single box of these pills freed me from headaches, and I am now a well man." - C. H. Hutchinson, East Auburn, Me. Awarded Medal at World's Fair. Ayer's Sarsaparilla is the Best.
