The tenders called for are for a fast mail and passenger line. Each steamer will afford accommodation for from three to five hundred tons of freight. The experience of fast lines is that freight always follows in their wake in addition to what they themselves carry.

H. Gould ploughs of Smith's Falls are similarly sold for from \$12 to \$1.4, the agents' price for an inferior American Alternative tenders are called for for Halifax and St. John, so that intending contractors will have choice of taking in St. John. The result of the tenders can alone answer the question practically.

Peturping to the kenders called for are for a fast mail the three-year's system. Such mills cost that city were not nearly so bad as those of London.

The tenders called for are for a fast mail the three-year's system. Such mills cost that city were not nearly so bad as those of London.

The could ploughs of Smith's Falls are similarly sold for from \$12 to \$1.4, the agents' price for an inferior American article being \$16 and \$18 in the good old days.

We are specially interested, however, in learning from the Telegraph where the question practically.

Peturping to the kenders called for for Halifax and St. John. The result of the tenders can alone answer the question practically.

There was a pair of striped trousers, splotch that city were not nearly so bad as those of London.

The special problem of the same device the farmers. The J.

H. Gould ploughs of Smith's Falls are similarly sold for from \$12 to \$1.4, the agents' price for an inferior American notice that about \$2.5 that freight always follows in their wake in addition to what they them series and in one hand he car that city were not nearly so bad as those of London.

"This country," she said, "was but beginning to feel the awful polluting effects of drink. The great social problem of the same that city were not nearly so bad as those of London.

"The tender's area alone and in one hand he car that city were not nearly so bad as those of London.

"The tender's area alone an We are specially interested, however, misery and wretchedness. In London said the clerk perfunctorily. Fifty people in pools or streams, as the police, accustomed

ALMOST OBLITERATED HIM. That was what had become of the crank

Calhoun, S. G., operator in office of Wash ington F. Connor. Struck on aide of head with debris. Went home.
Laidlaw, William R., private secretary of John Bloodgood. Face cut and badly

shocked.
Osborne, C. W. secretary of Russell Sage.
Cut and torn and possibly fatally injured.
Robertson, Frank, aged twenty, Bergen
Point, N. J.; clerk for W. M. Imbrie & Co,
No. 56 Broadway. Entire side of face torn
away, fractured skull, eyes destroyed, internal injuries. May die.
Sage, Russell, stock operator and money
Pender. Severely shocked and burned.
Face cut by flying glass. Arm hurt. Eyebrows burned as if by white heak. Will be
confined to his bed for several gays.

We've heard of a woman who said she'd Favorite Prescription if she couldn't get it without. That woman had tried it. And commissions and presents from persons having dealings through him with the your drug store, pay a dollar, get a bottle and try it-try a second or third if neces-

drug store.

YOUNG WOMER should take them. For sale by all druggists, or will be sent upon r sale by all diversing ipt of price (50c. per box), by addressing the DR. WILLIAMS' MED. CO. Brockville. Ont. HOLIDAY ADVERTISEMENTS.
