

EXERCISE AND AMUSEMENT.

The spacious lawns of the College afford ample opportunity for out-door recreation during fine weather. To insure proper exercise at other times the gymnasium used by the gentlemen is being rented and a large one, 40 by 60 ft., for the use of the ladies, is now under contract, and will be ready for use in September. This will be used as a skating rink during the winter months. To further provide for healthy physical development the students will be exercised regularly in Calisthenics.
