

RENFORTH CLUB OPENS NEW HOME

A Marathon Race is Expected to be one of the Special Attractions.

Ald. Vanwart has proclaimed from the street corners, and in fact from any place where there is an audience that he challenges Charles A. Clarke, manager of the City Fuel Co., and Ald. Elkin to race at the Renforth races on Labor Day afternoon.

The alderman wishes it announced that this race is to be under the auspices of the corpulent members of the Association.

THIS IS HOW THEY SHOULD RUN TODAY

Some Mounts in the Moose-
path Bunch Picked for
Standard Readers—Six Races
on the Card.

If the entry list of the St. John Driving Club for this afternoon at Moosepath Park is any criterion, then the week's sport cannot be but of a high order. The six races that are down for decision today will provide racing sensational enough for the most ardent turfite, bringing together in the various events horses that are worthy of a place on the programme of any racing association. The train arrangements are most complete, leaving at 1.15, 1.45 and 2.15, and after the last race ample time will be allowed for all to make the train. Everything points to the largest attendance yet seen at Moosepath Park, and those that take in the afternoon's sport will be well repaid for their journey there.

The programme opens with a 6-1-2 furlongs race, with six high-class sprinters entered. On what they have shown recently, Master Lismore looks to have the foot of the field, with Jack Hines, Herdsman and Alarmed offering the most contention. Jim Brady will be right there if he runs one of his good races, and must not be entirely overlooked.

Two-year-olds are being tried out against the aged horses in the second number, and additional interest is added to it from this fact, Yankee Lady being a particularly smart one. We look to her, at the weights, to lead the bunch home. Of the others John A. Munroe looks best, with Congo and Jubilee Juggins contesting the Peep money. This should be one of the best contents of the afternoon.

Six classy youngsters will come together in the third race, and as all of them are recent winners it will take some figuring to separate them. Late ton Beauty ran so impressively in her late starts that we favor her chances today, though Love Cure must be considered seriously. In fact any one of the lot would cause surprise by reaching the wire first, so evenly matched are they.

A real sprinting brigade faces the starter in the fourth event, at 4½ furlongs. Sabo Blen being right good at present, and possessing a lot of early speed, we give him preference in this company. Giovanni Reggio appears second best, with Pico as the runner-up. There is not a bad one in the lot, and the winner will know there has been a horserace.

The most interesting race of the day will be the mile affair starting as it does in front of the stand. While there are only five starters, what is lacking in quantity is made up in quality. Ed Keck looks the best of the field with Conville and Precis offering most contention. Pearl Point has not raced to his best form lately, and this may be the day he will come into his own.

Winding up the day's sport will be a race at 1 mile and 20 yards, which will undoubtedly prove the feature of the card. Several of the best distance horses at the course are entered, and a great contest is bound to ensue between Niblick, Tannie, Occidental and Dr. Young. Niblick has been so consistent of late that we expect him to catch the judges' eye first, while Pocatiggo and Occidental disputing the second part of the purse.

Taken as a whole, a better programme of events could not be offered bringing together in the respective races the very finest thoroughbreds at the track. St. Mary's band will be in attendance, and altogether an afternoon of real enjoyment is assured the patrons of the sport of kings at Moosepath Park today.
