NEW GRAND  
CHIEF TEMPLAR  
IS ST. JOHN MAN

E. N. Stockford Elected to  
Office by Grand Lodge  
I. O. G. T.

SESSION BROUGHT  
TO CLOSE LAST NIGHT

Charges that Gov't was in-  
fluenced in liquor legisla-  
tion by monetary consid-  
eration incredible, says  
committee report.

Special to The Standard.

Fredericton, Aug. 18.—Grand Lodge  
of New Brunswick, International Order  
of Good Templars closed their ses-  
sion here this evening. This afternoon  
officers were elected and other busi-  
ness of Grand Lodge concluded. Albion  
Lodge of Fredericton entertained the  
visitors this evening at Odd Fellows'  
hall, an enjoyable social programme  
being carried out. The following is  
the list of officers for the ensuing year:

Grand Chief Templar, E. N. Stock-  
ford, of St. John; Grand Counsellor,  
Rev. W. G. Lane, of St. John; Grand  
Electoral Superintendent, A. C. M.  
Lawson, of Fredericton; Grand Super-  
intendent of Juvenile Work, Miss Bea-  
trice Campbell, of St. John; Grand  
Vice-Templar, Mrs. Newton Jarvis, of  
Fredericton; Grand Secretary, J. V.  
Jackson, of Moncton; Grand Treasur-  
er, J. Barry Allen, of Fredericton;  
Grand Marshal, D. C. Fisher, of St.  
John; Grand Chaplain, Rev. J. G. A.  
Belyea, of Fredericton Junction;  
Grand Deputy Marshal, Mrs. G. Bishop  
of Moncton; Grand Guard, Seymour  
Sharp, Past Grand Chief Templar, I.  
R. Hetherington of Cady; Deputy In-  
ternational Chief Templar, A. C. M.  
Lawson, of Fredericton.

A delegation of the Women's Chris-  
tian Temperance Union, consisting of  
Mrs. A. C. M. Lawson, Mrs. J. J. Col-  
ter, Mrs. Wilcox, Mrs. Olmstead, Mrs.  
D. Ferguson, Mrs. M. L. Stevenson,  
Mrs. Dennison, Mrs. Jordan, Mrs. Har-  
ry P. Baird and Mrs. Kitchen, were  
received by Grand Lodge and ad-  
dresses were made by Mrs. Lawson and  
Mrs. Colter, on behalf of the dele-  
gation, and by Rev. W. G. Lane and Mrs.  
J. V. Jackson on behalf of Grand Lodge.

The following telegram was ordered  
to be sent to His Royal Highness the  
Duke of Connaught:  
"Grand Lodge of New Brunswick, In-  
ternational Order of Good Templars,  
now in session at Fredericton, N. B.,  
desires to express to you the unflin-  
ing loyalty of its membership and  
pledge our continued allegiance to the  
Throne and Empire. We are proud to  
say that our complete lodge of our  
order is already at the front com-  
plimented by other members who  
have volunteered."

The finance committee reported in  
favor of an increase in salary of the  
grand secretary from \$75 to \$150 and  
this recommendation was carried out.  
The report of the committee on polit-  
ical action was made to Grand Lodge  
by Rev. C. J. Flemington. The report  
set forth that the time had arrived  
when temperance people of the prov-  
ince should crystallize strong temperance  
sentiment into legal enactment for  
suppression of liquor traffic in New  
Brunswick. The report went on to re-  
fer to the attempt of temperance peo-  
ple to secure prohibition in New  
Brunswick during the war and said  
that the result obtained had not been  
satisfactory.

"As to the truth or falsity of the  
charges made through the press, and  
in other ways, that the government  
decided in favor of liquor sellers be-  
cause of a monetary consideration, we  
are not in a position to express an  
opinion. The charges are incredible to  
us; the infamy of such a course makes  
it unthinkable." is a part of the re-  
port dealing with charges made by  
the Liberal press.

The report further advocated pre-  
sence of temperance candidates in po-  
litical campaigns and recommended  
the appointment of a committee to co-  
operate with other temperance work-  
ers in securing temperance candidates  
who were ready to put temperance leg-  
islation before personal or party in-  
terest.

## POLICE COURT.

Ivan Watters, Murray Chase and  
Ortel Estey, three boys, were before  
the police magistrate yesterday morn-  
ing to answer the charge of stealing.  
The boys confessed their guilt and  
were allowed to go with a severe reprimand.  
Margaret Hazelwood and Sydney  
Hart, on the charge of bigamy, were  
remanded, as were Fred O'Dell, charged  
with theft; Mary Romley, charged  
with attempted murder and the soldier  
Thomas, charged with indecent assault  
on a young girl.

AUTOMOBILES  
MUST COMPLY  
WITH THE LAWS

Tail light and number reg-  
ulations will be rigidly  
enforced.

Automobile owners who have not  
taken heed to the warning issued by  
the police department regarding the  
number tags on the rear of their cars  
not showing at night at a distance of  
sixty feet, will now have no excuse  
to offer if they are brought into the  
police court and fined. This was the  
statement given out last evening by  
the department.

Two warnings had been given re-  
cently, and when asked how these had  
been taken by the car owners, the  
Commissioner of Public Safety said  
some of the owners had their license  
numbers placed in the position the  
law requires, but there have been a  
large number of others who are still  
running their cars so that the license  
numbers cannot be seen at night.

"There will be no more warnings  
given," said the commissioner, "and  
those owners who disobey the law will  
immediately find themselves in  
trouble. While some owners have the  
tail light right, the plates are not  
kept clean and therefore cannot be  
seen even if an officer were but a few  
feet away. This is a direct violation  
of the law." The commissioner gave  
out orders that in future every person  
violating the law is to be reported and  
taken before the police magistrate.

There is only one fine for these  
cases and that is one hundred dol-  
lars.

Inspector Wickham, who is in charge  
at police headquarters during the ab-  
sence of Chief Simpson, when asked  
regarding orders, said that today the  
police officers would be instructed to  
keep a sharp eye out for all drivers  
of automobiles who have not their  
number tags properly illuminated, and  
to report every one of them.

Commissioner McEllen was also  
asked regarding excessive speed by  
automobile owners. He said any per-  
son violating this section of the law  
would be prosecuted.

The commissioner pointed out that  
some car owners appeared to be under  
the impression that when they left  
the Haymarket Square they were out  
of the city when really the city limits  
reached out the Marsh Road as far as  
the one mile house. Many cars after  
they leave the Haymarket Square are  
opened out and the speed limit is broken.

As far as the Marsh Road is con-  
cerned he said that he intends putting  
a patrol there and car owners will  
have to go slow.  
The law regarding speed rates that  
motor vehicles operated on a public  
highway where contiguous territory  
thereto is closely built up, must not  
go at a rate over one mile in four min-  
utes, or in any city, town or village  
at a greater rate than one mile in five  
minutes, or outside of any city, town  
or village where a clear view of the  
road cannot be seen for at least two  
hundred yards, at a greater rate than  
one mile in three minutes.

After the first warning had been  
given about a week ago the police  
found that over forty car owners had  
arranged the number plates on their  
cars so they would be visible at night.

Toronto, Ont., Oct. 1st, 1913.

"I have lived in this city for more  
than 12 years and am well known. I  
suffered from Rheumatism, especially  
in my hands. I spent a lot of money  
without any good results. I have taken  
"Fruit-a-Lives" for 18 months now and  
am pleased to tell you that I am well.  
All the enlargement has not left my  
hands, and perhaps never will, but the  
soreness is all gone and I can do any

INQUIRY IS  
ADJOURNED

Com. Chandler adjourns  
Court of Inquiry — Will  
notify interested parties  
as to date of resuming.

Special to The Standard.

Fredericton, Aug. 18.—Commission-  
er W. B. Chandler, K. C., adjourned  
his court of inquiry here this after-  
noon, but did not announce a date for  
the next sitting. He stated that he  
would notify all parties interested in  
a few days.

Lieut.-Col. T. G. Loggie, Deputy  
Minister of Lands and Mines, was the  
only witness examined this afternoon  
and his evidence was very short. He  
said that tract under lease to Mr.  
Stewart in 1913-14 had been leased to  
W. G. White in December, 1912, and  
the lease was transferred to Mr.  
Stewart in April, 1913.

Col. Loggie then submitted a reply  
given to an enquiry in the legislature  
during the session of 1914, in which  
it was shown that a large number of  
sleepers had been cut off this land by  
the Bathurst Lumber and Trading  
Company during the winter of 1912-  
13.

At this morning's session charges  
regarding the purchase of the Knowles  
farms in Gloucester county by the  
Farm Settlement Board were taken up.  
It is alleged that the land was sold  
by the Royal Bank of Canada at  
Bathurst to the Farm Settlement  
Board for \$1,500 and the bank later  
deeded the property to A. J. H. Ste-  
wart, M. L. A., who sold it to Knowles  
Brooks for \$1,500. The land had been  
previously held by the bank as security  
for a loan to W. R. Knowles and  
after the sale he was credited with  
the bank with \$1,200. Mr. Knowles  
claimed that he should have been credited  
with \$300 more. P. J. Venio's charge  
says Stewart got the money.

Mr. W. R. Knowles in his evidence  
stated that on one occasion he had  
asked \$2,000 for the property, but had  
finally agreed to sell at \$1,500. His  
only reason for selling at that price was  
that he was perfectly satisfied with  
that amount being paid for the prop-  
erty.

Mr. Knowles in his evidence said he  
did not know who had received the  
\$300 which he claimed was due him  
on sale, and said he could see no rea-  
son why farm settlement board might  
not purchase land for \$1,200 and sell  
it for \$1,500. It was pointed out, how-  
ever, that farm settlement board were  
not allowed to make any profit on  
their sales.

Witness had no direct knowledge  
that the bank had paid the Farm  
Settlement Board \$1,500.

Mr. James Gilchrist, secretary of  
the Farm Settlement Board, was the  
first witness examined, and told of  
the board purchasing the property

## TITLED WOMEN WORKING IN ENGLISH FACTORY

## TRAINING IN A BIG MUNITIONS FACTORY

It is difficult for Americans to picture any emergency that would result in  
titled women becoming factory hands at a plant where the roughest sort of  
labor is required, but that is precisely what has happened in England. The  
British government has been striving for months to force men of the nation to  
wake up to the gravity of the situation, and the women of social position are  
doing their part toward hastening the national awakening. In the accompany-  
ing picture is seen a group of them who have donned the very workable garb  
of blue overalls and mob cap or handkerchief to cover the hair. And they are  
doing actual work, not merely posing before the world. Among those now  
working at one of the big factories are Mrs. Greig, the wife of the Colonel of  
the London Scottish; Lady Gatacre, Lady Gertrude Crawford, Mrs. Pearson,  
the wife of Colonel Pearson; Mrs. England, Mrs. Charles Susif, Mrs. Moir,  
Lady Colebrooke, Miss Rosemary Northcroft, Miss Toynbee, Miss Burton and  
Mrs. Cowan.

for \$1,500. He did not know that  
Mr. Stewart had acted in the transac-  
tion until a cheque was issued in his  
favor.

Back To Police  
Mrs. Dorothy Conway, a young  
woman, spent last night in a cell at  
police headquarters. Some weeks  
ago Mrs. Conway arrived in the city  
and when taken to the police station  
said she had been married to Frank  
Conway, a member of the 55th Bat-  
talion, in Sussex. At that time her hus-  
band was in jail at Hampton and she  
had arranged with another soldier in  
the 55th to meet in St. John. He would  
desert from the battalion and they  
would run away together.

The soldier whom she said was to  
run away with her did not put in an  
appearance and the woman was held  
here in jail because she had no money  
and no visible means of support. Yes-  
terday she was given the option of  
going to jail for a term or going to  
the Home of the Good Shepherd. She  
chose the latter place and was con-  
veyed there by an officer. Last even-  
ing word came from the home that  
the woman did not wish to stay there  
and accordingly an officer was sent  
there and took her back to police  
headquarters where she was placed in  
a cell. It is more than likely that she  
will be returned to the county jail to-  
day.
