

APONAQUI

Apohaqui, July 20.—Rev. J. Spicer Gray, of Pettoctiac, occupied the pulpit of the Methodist church on Sunday evening when a very large congregation listened with pleasure to the well delivered and thoughtful sermon preached by the visiting clergyman.

The service was fragrant from quantities of roses, which were banked about the altar and the music was well chosen and efficiently rendered. The choir is indebted to Miss Kathleen Burgess of Moncton, and Miss Ruth Tingley who so kindly assisted. Miss Burgess showed marked talent in her violin accompaniments and Miss Tingley's rich alto voice lent much to the harmony and was particularly enjoyed in a duet, "Saved by Grace," which was rendered as an invocation. During the service the solo "Love Eternal" was sung when Miss Burgess and Miss Connelly accompanied with violin and organ.

Will the German Upheaval Break the Kaiser's Yoke?

"The Imperial Government is now on the defensive at home, and is compelled to deal in concrete fashion with the growing dissatisfaction of the German people," is a significant fact that stands out clearly and distinctly in the opinion of the New York World. Nevertheless, in the minds of other cautious American editors, we are warned not to expect too much from the crisis in Berlin, for Germany is not Russia, nor is Wilhelm a Nicholas.

The Bistion News Bureau, however, perceives that whereas in the early days of the war, "all was vaunted political unanimity in the Fatherland," today, "the vast change in the military setting has its counterpart in the political transformation. Disillusion has brought dissension; confidence has given way to criticism; lines of faction are deeper than ever, over grave issues of war aims and war conduct." Vorwaerts, the German Socialist organ, in a warning to the German Government, remarks, "let none be blind to the fact that at this time a certain unrest is spreading throughout the nation."

In THE LITERARY DIGEST for July 21st, the leading article shows every angle of the significant developments that have been taking place in Berlin during the past few weeks, and the influence that they will exert upon the conduct of the war. Other articles of timely importance are:
