## Fastest Heat of Year At Columbus

The Toddler Trotted One Great Heat in Grand Circuit Yesterday.

Columbus, O., July 28.—What looked to be a very prosaic and out and dried programme today, when heat after heat was reeled off by winners without any other horse cutting in for a winning mile, was suddenly spoiled by The Toddler, in the third heat of the last event, the 2.08 trot, purse \$3,000, when he came along and by trotting the fastest trotting heat of the year, raced Royal Mac into the ground and won the heat. Wilkes Brewer then suddenly came to life, and in two very remarkable finishes twice staved off The Toddler. So at night all horses had been ruled out, and Royal Mac and Wilkes Brewer tomorrow will race for the deciding heat for first money. This race was the big feature and Royal Mac was heavily played to win.

## LITTLE BITS OF SPORT CHATTER

Champion Bobbie Dibble retained his title in the senior singles at St. Catharines. John Durnan, a junior of Toronto, rowed against him. Durnan won the junior single sculls, and also the intermediate. He is a grand-nephew of the late Edward Hanlan, professional sculling champion.

It is regrettable that money prizes are being given for the swimming races at Indianapolis. The acceptance of money by those taking part in sports makes all those who compete professionals. Should these youngsters who have accepted cash prizes wish to enter in any amateur sports at some future time they would be barred. The promoter of the swimming events should see that those who accepted cash have the privilege of returning the money so that in the future they may, if they wish, compete in championship events.

Among the sports having an after-the-war revival is golf. Woodstock golfers will be here next Saturday to compete against members of the local club. The matches will take place at Riverside. The St. John players are said to be going strong and some interesting contests are expected.

The rain put the kibosh on baseball games scheduled for last evening. This summer has been particularly favorable to sport as far as the weather has been concerned, and a day or two of rest should be welcomed by the players.

Harry Lucas and James Manning, one-time cross-country stars, who have been out of competition for some time, have announced their intention of making another try for hill and dale honors in the autumn.

In Philadelphia the tossing of cushions during open-air boxing shows has become such a menace the promoters are seriously considering the advisability of dispensing with these covers which have been used in the grandstands. Several ringside spectators have been hurt as a result of the thoughtlessness of the miscreants who have occupied grandstand chairs.

## Rowing Events Soldiers' Day

A Fine Programme Has Been Drawn up for Sports on the Harbor.

A programme of rowing events has

been arranged for August 14, and

every effort will be made to have all

arrangements completed immediately

for a fine array of entries. Some of

the best rowers in these parts are al-

ready in training for the events and

some fast time is expected. A meet-

ing of the aquatic committee in con-

nection with the festivities was held

Monday night in the City Hall. Car-

leton when the following programme

was drawn up:

Distance, one and one-half miles,

with one turn.

1. Four oared novice race for boys.

2. Junior singles.

3. Senior singles.

4. Amateur fours.

5. Professional fours—Purse, \$75;

with a maximum of three oars-

6. Fishermen's race—17 foot skiffs.

First prize, \$15; second, \$10; third,

\$5.

International event—Maiden-war

sailors vs. St. John fishermen. Prize

\$25.

Local entries should be sent to J.

Fred Bayley, chairman, at 100

Middle street, West End, not later

than next Friday night.

It is proposed to start the races

from a point opposite North Wharf,

so as to give spectators a good op-

portunity of witnessing both start

and finish.

In addition to the big regatta on

August 14 next, it is the intention of

the rowing committee to hold fort-

nightly (Saturday) races for the bal-

ance of the summer.

It is also suggested that during the

Labor Day celebration at Moncton,

three fours from St. John give an ex-

hibition there, if satisfactory arrange-

ments can be made with the Moncton

committee on Labor Day sports.

### GAME TONIGHT.

Weather permitting the postponed

game between St. Peter's and the Y.

M. C. I. teams will be played on the

Queen Square, West St. John grounds

this evening.
