Economy

Ford car economy in first cost, in fuel cost, in maintenance cost, makes it the car for the owner of today.

The secret of Ford car economy is the Ford engine, simple and powerful, using a minimum of gas and oil for a maximum of mileage. Ford car sturdiness of construction throughout gives it the endurance which assures economy of maintenance as well as of operation.

EXCITEMENT AT WALKERS

Evidence that Robbers Intended to Make Raid on Home Bank

Wednesday afternoon of last week Glencoe received a hurry-up call from Walkers for police assistance. It was stated that an attempt was being made to rob the Home Bank at that place. Supplying themselves with revolvers and handcuffs, Townsman John Henry and Constable Weaver engaged in automobile and hurried to the scene.

It appears that early in the morning two men were seen prowling about a woods near the village, one of whom was described as wearing a grey coat. Later in the day it was found that the telephone wires leading to the bank had been cut. It was on the strength of these suspicions that the police were sent for assistance. When the Glencoe constables arrived at Walkers they found a man dressed in grey, answering the description of one of those seen in the woods, loitering about the station. The constables questioned him and he gave a good account of his movements, stating that he was a sailor out of work and making his way to Buffalo, intending to get on the next train eastbound if possible and ride as far as he could. He was not detained. No trace, however, could be obtained of the two men who were seen early in the day.

It is thought that the strangers cut the wires not to prepare for the commission of a crime on that day, but that they would wait until the bank messenger from Melbourne made his semi-weekly visit, and that even if they did not take him by surprise he would not have an opportunity of calling for assistance when they entered.

Rumor had it that the Murrell brothers and Williams, who are awaiting trial for the murder of Russell Campbell at Melbourne on April 11, planned to capture this same messenger when he rode to Walkers on a hand-car, but that on that day the messenger took the train and although disappointed in this venture, the Londoners attempted the Melbourne bank robbery.

Reeve Henry of Metcalfe is now in communication with the county authorities seeking pay for the expenses of the Glencoe constables. The constables, it appears, can only get pay for their services when an arrest is made. In this case there was only an investigation, but it is thought the county should reimburse them for their trouble and expense.

ODD FELLOWS' SERVICE

Big Turnout of the Fraternity to Observe Anniversary

Odd Fellows of Glencoe Lodge, No. 133, observed the 102nd anniversary of their Order on Sunday last by attending special divine service held in the Presbyterian church in the afternoon. About 90 of the Order were in the parade to and from the church, a number of visitors being present from the surrounding lodges of Kerwood, Newbury, Rodney and West Lorne.

The service was very impressive. Rev. D. G. Paton, B. D., pastor of the church, delivered the sermon, extolling the virtues and benefits of brotherhood. The Scripture reading was given by Rev. D. Robertson of Kilmartin. An anthem was given by the choir and Stanley Humphries sang as a solo "Jesus, Lover of My Soul." All joined heartily in the singing of the Odd Fellows' anniversary, thanksgiving and parting hymns.

ORGANIZES BASEBALL TEAM

On Friday noon the Fletcher Manufacturing Co. organized a baseball team for 1921, with the following officers:—President, Fred Aldred; vice-president, Alfred Aldred; manager, Ed. Hamilton; captain, Chester Bechler; secretary-treasurer, Ern. Smith; trainer, John McCracken. They are ready to meet all comers, mostly "Davenport" stars.

The death occurred in Metcalfe township a few days ago of Maria Smith, widow of the late George Lightfoot, in her 73rd year.

DEATH OF MALCOLM C. MUNROE

Well-known Mosa Pioneer Passes Away on Sunday

Malcolm C. Munroe, one of the early pioneers of Mosa township, passed away on Sunday afternoon, following a break-down from the effects of the flu contracted about a year ago. Mr. Munroe was in his 89th year and was born on the farm near Kilmartin on which he died. He is survived by his wife, now in her 88th year. Had Mr. Munroe lived until the 6th of June, the venerable couple would have celebrated their 66th wedding anniversary. Their family consists of three sons and four daughters—Peter Munroe of Margaret, Man.; John Munroe of Tucson, Ariz.; Dan. N. Munroe on the homestead; Mrs. John Secord of Mosa; Mrs. John H. McFarlane of Detroit; Mrs. James Walker of Walkers; and Mrs. D. A. Dewar of St. Thomas.

The late Mr. Munroe was one of the typical Scotch pioneers known so well for their integrity and simplicity of daily life. Both he and his wife experienced all the vicissitudes of the early pioneers, and could tell many interesting tales of the early settlement and clearing of what is now one of the hamlet townships of the province. Mr. Munroe was an active member of Burns' Presbyterian church practically all his life and was an elder for many years. The funeral took place on Tuesday afternoon from his late residence to Kilmartin cemetery.

AN OLD LANDMARK GONE

Peter and John Smith, painters, have bought the old Smith residence on Main street, opposite the post office, from the Daughters of the Empire, and have taken the building down and will rebuild it on their property on the Appin road. This was one of the oldest buildings in Glencoe, and was originally occupied by George Tait as a harness shop about 50 years ago. Mr. Tait moved to Alvinston from Glencoe. Captain Symes, on retiring from the lakes, bought the property and converted it into a dwelling house which he occupied up to the time of his death. The shop adjoining was built and occupied by the late Mr. Symes as a book store, and it was in the back part of this building that The Transcript was born 50 years ago. The Daughters of the Empire recently bought the north half of the premises in order to extend their grounds for a memorial tablet and rest room which they purpose erecting as soon as sufficient funds are in hand. They have already received several substantial contributions and are promised a carload of building material from Brigadier-General McRae of British Columbia, to be shipped in from that province.

SUMMER SPORTS OPENING

Glencoe Girls Win Championships at West Lorne

The G. H. S. girls again distinguished themselves in the line of sports when the athletes of the school, under the direction of Mr. Yorke and Miss M. Gilles, visited West Lorne on their field day last Saturday. Though handicapped by the absence of some of their best juniors the girls tied with West Lorne in the total number of points. In the twelve events they captured eight firsts, three seconds and six thirds. Mary Beattie won the senior championship with thirteen points, closely followed by Jessie Currie with eleven. In the junior events Marion Campbell tied with Jean Campbell of West Lorne for the championship.

As Cameron McPherson was not allowed to compete the boys were handicapped by the small number of contestants. Those who took part, B. D. and Alex. McDonald and W. McKellar, won two firsts, five seconds and six thirds.

Boston's latest is a mail order department of health. Do you feel out of sorts this morning, with a bad mouth taste, or pain somewhere, or the like? Then call up the Municipal Health Information Bureau. It will answer queries and give advice by return post. The only cost will be a self-addressed and stamped envelope.
