Whiskey to be Saved for Hospitals.

Carrying out the strict letter of the
Ontario Temperance Act, Chief of Police
Baillie of Kingston, has been pouring
confiscated whiskey into a gutter. This,
it was realized, was a waste when King-
ston hospitals had to pay out money to
purchase liquor. Mayor Hughes wrote
Vice-Chairman S. Dingman of the Ont-
ario License Commission Board, asking
that whiskey seized at Kingston be de-
livered and the Home for the Aged. A letter
has been received by Inspector McCam-
mon stating that the provincial secretary
had decided to grant Mayor Hughes' re-
quest and instructing him to see that the
liquor was divided among the insti-
tutions named for medical purposes and
to obtain receipts therefor from the
superintendents of the institutions.

The final debate between the members
of the Junior Farmers Improvement

to take place to-morrow night in the
council chamber in Carleton Place, this
being a sort of saw-off as each of the

Orillia, or Ottawa."

SALE OF Boys' Wash Suits

What more convenient
way of dressing the kiddies
in summer than by putting
them in Wash Suits. Let
them romp where they will;
our wash suits are Made to
Wash, and will do so to the
satisfaction of all.

WE ARE CLEARING THEM OUT

Our lines have become
very broken in sizes, so we
are clearing these suits out
at ridiculous low prices.
They are marked as low as
55c and will not remain here
long at these prices.

WE ADVISE YOU

To come in and get what
you want now. The suits
are marked far below last
year's prices, and when com-
pared with the present prices,
the saving will amount to a
nice sum.

There is still a nice range
of colors, and you may see
exactly what you want.
