

SCIENCE DIMENSION

NATIONAL RESEARCH COUNCIL OF CANADA • CONSEIL NATIONAL DE RECHERCHES DU CANADA

A collage of various food items, including meats, vegetables, and a bowl of soup, set against a dark, textured background. The items are arranged in a somewhat circular pattern, with a bowl of soup at the bottom center. The background is a dark, mottled brown with a fine, grainy texture. The food items are rendered in a realistic style, with some items appearing to be cut or sliced. The overall composition is a visual representation of the 'Science Dimension' of food, as suggested by the title.

SCIENCE DIMENSION

NATIONAL RESEARCH COUNCIL OF CANADA • CONSEIL NATIONAL DE RECHERCHES DU CANADA

A collage of various food items, including meat, fish, and vegetables, arranged in a circular pattern. The items are rendered in a high-contrast, almost black and white style, with some items appearing to be cut or sliced. The background is a dark, textured red. The overall composition is centered and symmetrical, with the food items arranged in a circular pattern around the center. The items include what looks like a piece of meat, a fish, a vegetable, and some smaller items like a piece of fruit or a small vegetable. The style is reminiscent of a scientific or medical illustration, but with a focus on food. The text "SCIENCE DIMENSION" is at the top, and "NATIONAL RESEARCH COUNCIL OF CANADA • CONSEIL NATIONAL DE RECHERCHES DU CANADA" is below it. The date "1972/2" is in the top right corner.
