I Can Do Better

with my money than buy Life Insurance, is an excuse advanced by many persons for being uninsured or sometimes under-insured. Such an assertion cannot be argued to a logical conclusion, however, as less than 5% leave a competence for their dependents.

During 1916, we paid 18 Death Claims where the policies had not been in force one year. Had these policyholders advanced this argument, what an unfortunate thing it would have been for their beneficiaries.

Our Guaranteed Investment Policies enable you to systematically save in a manner unsurpassed in any other way. Moreover, should the unexpected happen, your heirs are provided for, as Life Insurance is the first asset realized on in the event of death.
