"DON'T BE A CLAM."

A CLAM DON'T KNOW MUCH. You can't learn them. All they do know is that they are unhappy at low tide. There are two classes of people in this world—those who believe in Co-operation and those who don't.

Who are the Successful, and Who Become Rich?

You have often heard it said there is one opportunity in every man's career, if he but see and grasp the opportunity. We believe this and far more; we believe there are many opportunities in every man's career; we believe those who are quick to see and grasp these opportunities are the successful ones; we believe that these same successful ones become rich. If you remain blind to every opportunity, you will never succeed. You don't want a house to fall on you or an earthquake shock to arouse your senses to action, or are you waiting in vain hope of some legacy from England? If so, you are a failure; you can't be successful. But if you see the opportunities offered by the Canadian Co-operative Supply Company, take hold with a will; you are sure to be pleased. With thanks to our many customers for their liberal support, we cordially invite all to join our Clubs, with the assurance that it will open pleasant and lasting relations to the mutual advantage and interest of both. Yours very truly,
