Correspondence

"Laddie in Khaki" Words Wanted

Dear Editor:—I have been an interested reader for a long time. I certainly enjoy the stories and correspondence page, but this is the first time that I have had courage enough to write.

I am, like most of the others, wishing the war over. I have a brother in France and relatives in the war.

I, like "Khaki Girl," think that conscription should settle who should enlist and who should not, but it seems everybody cannot be satisfied. I am under eighteen, and am still going to school. I live on a farm and have nearly three miles to walk to school, so it is some walk. We have had a fairly nice winter here, but will be glad when summer comes.

The girls around here have organized a club for the purpose of getting money for the Red Cross and other patriotic purposes. They are planning to have a concert soon.

Would any of the readers send me the words of "Laddie in Khaki"?

I would like to correspond with any soldier in France from Northern Manitoba.

My address is with the editor. I will sign myself

"Khaki Lily."

Will Farm

Dear Editor:—I have been a silent reader of your paper. We have had your paper in our home for a long while, and I wonder if you could find room for another member. I live on a farm, and I am a slacker, as "Spitfire" would say. But, anyhow, we will forgive "Spitfire," as I believe she is sorry by now for all the callings down she has given us poor farmers. I don't suppose we would be fit to take "Pocahontas" to a show. I certainly admire the boys in khaki, and would like to be with them, but cannot. So I will farm, farm, farm, and that is so much. I am a lover of books. Also of nearly any kind of outside sport. Well I could write a lot more, but do not want to take too much room. I will close, hoping this escapes the W.P.B., although it may not deserve it. I will sign as

"A Sport."

Wants to Become a Member

Dear Editor:—The correspondence column in the February number is rather brief again, so I thought I would see if I could have my letter in print, or if it would reach the W.P.B. We have had The Western Home Monthly in our home for years, and the correspondence has always interested me. I like several of the January letters very much, and quite agree with "A Mere Boy" in the February number about the farmers. I would like very much to become a member of your page. And now I must stop before my letter gets too long. I will sign myself

"Daisy."

Lover of Horses

Dear Editor and Readers:—I have been taking great interest in the correspondence page of The Western Home Monthly for some time. I am now taking the liberty of writing you a few lines.

By way of introducing myself, I am of medium height, with dark brown hair and fair skin.

I enjoyed those girl's letters very much, who were plucky enough to help on the farm this year. I have often helped to do the same work. I am very fond of horses, especially wild ones. I love riding horseback, but of late I have not had a chance, as I have been in town. I often long to be back on the farm. I am learning to skate this winter, but do not like it quite as well as a good Old Country square dance. I also like a nice quiet game of cards in long winter evenings. I am very fond of music and play a little myself.

Well as this is my first attempt I will not waste any valuable space. If any lonely girls or boys care to write I will answer all letters promptly. I would also like to exchange letters.

Pain in Shoulders PAIN IN HEAD LIVER BOTHERED HER.

Miss A. Windsor, Peterboro, Ont., writes:—"I have been sick for about four years with pains in my head and pains in my shoulders which I always thought were caused by working outside in the sun on the farm."

People told me that it was my liver bothering me, so I bought three vials of Milburn's Laxa-Liver Pills, and found that they were doing me good. I continued taking them until now I am well and strong. I am very thankful to you for my recovery."

Milburn's Laxa-Liver Pills are a specific for all troubles arising from a morbid state of the liver, so keep it active by the use of these easy-acting, non-irritating little pills.

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Rheumatism

A Home Cure Given by One Who Had It

In the spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bed-ridden with Rheumatism, and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write to-day.
