Beginning October 25, and continuing until approximately December 10, the main floor of the Education Library will be under-going major alterations to the physical arrangement.

Staff will endeavor to keep user inconvenience to a minimum, although, as in all undertakings of this kind, there is likely to be some unavoidable disruption of service.

It is suggested that those patrons who require an undisturbed setting should use other floors of the Education Library or other libraries on campus for the duration of the alterations.
