## Cause to be merry

Thirty-nine of Mississauga's Wildfield cres. residents in Lorne Park decided to lend substance to wishes during Christmas holidays

Instead of mailing merry missives, they pooled the \$\$\$ they would have spent for cards with the result that they were able to present a cheque of \$160 toward "The Canadian Save The Children Fund".

Spokesman for the group Roy F. Bennett said it was generally felt this was a step toward restoring some of the true spirit of Christmas.
