

families receiving the Treaty allowance, and one hundred and ten who do not do so.

His Lordship urges the reasons why aid should be extended to them. With regard to the Half-breed families telegraphed at the request of the Executive Council to the other members of the Council now in Ottawa, asking them to apply to the Dominion Government for a special loan of ten thousand dollars, to enable seed grain to be purchased.

This application arose out of a request made by the Agricultural Society of Lizard, for a guarantee of
