Ottawa, September 20, 1926

Dear Mr. Morin:

It is indeed good of you to write me in the terms of your letter of the 17th of September. The result is very difficult to explain - that is on any basis that one likes to accept. It is indeed discouraging, but the only thing to do is to take it in the best spirit possible.

I thank you for the expression of your very generous opinion. My only desire is to act in the best interests of the Party and the country.

Yours very truly,

Louis Morin, Esq., C.R.,  
Avocat,  
Saint-Joseph de Beauce, Quebec.
