Dear Harry:

I have your letter of 15th with enclosure from Messrs. Crowe & Co., regarding Senate Bill "P". This matter has been discussed in Council, and the Bill is now before the House of Commons, the Senate having passed it some time ago.

Messrs. Crowe & Co. do not appear to have made a very careful study of the subject. Enclosure returned.

Yours very truly,

Hon. H.H. Stevens,
Minister of Trade and Commerce,
Ottawa, Ont.
