Herewith copy of a letter written to me on Sept. 19, by Laurent Beaudry. I note this letter sidesteps the issue of acceptance by the British authorities, although that was specifically mentioned in my letter of the 6th of Sept. to Dr. Skelton. Subsequent negotiations were by telephone - as soon as Beaudry returns from lunch, I shall clear up the point you raised in our telephone conversation - and let you know.

J. J. Bell
