W. J. D. L.

Sir,

I have to acknowledge the receipt of your letter of the 11th instant, asking that Mr Inspector Dingenman may be sent to the Snygoz Reserve at once, as you wish to confer with him on matters of importance to the Reserve; and in reply, I have to inform you that you should communicate with the Department, in the first place, giving full particulars about each of the matters referred to; and the Department will then decide as to the necessity for the Inspector visiting your Agency. As such instructions can be given the Inspector, upon such a general statement as that which is in your letter.

G. B. Mc Donald Esq
Indian Agent
Snygoz Post.

Your obedient Servant

In the Deputy of the
Chief of Indian Affairs
