

PROSECUTOR'S CLOSING ADDRESS

in the case of E-14207 Pte Giroux, P.E.

Sirs:

The Prosecution has presented sufficient evidence to prove each point in this very serious charge. The date, time, place, have been proven, the articles positively identified by both the owners and the Provost whom arrested him with the articles on his person. In view of the fact that this was a dastardly act committed by a Canadian soldier enjoying the hospitality and confidence of friendly Belgian Civilians, I ask the court to find him guilty.

(sgd) J.J.H. Connors, Lt.
