## W. S. TAGGART'S ART STUDIO.

Ever since the beautiful art of Portrait Painting was discovered, there has been a great demand for Portraits; though not until this advanced stage of the Art have portrait painters offered pictures at a sufficiently low price to enable the public in general to purchase them.

After a number of years of practical experience in Portrait Painting, having observed that quick sales and small profits are the most beneficial, I will paint portraits at low enough rates to enable the millions to have them.
