

Christmas  
Greetings  
from the  
**John Deere Plow Co**  
Limited

To all their friends, present and prospective, who can be reached by this message. As the old year closes, they recall the pleasant associations of many years of business intercourse, and trust that the New Year will be one of unexampled prosperity. We live by giving and receiving; we have received our share of the country's substance, and we have given of our own quality, value and service; we believe the deal has been one of mutual satisfaction; we are grateful for all that has gone, and will continue our simple policy of

John Deere Quality and Service
