EVERY Breeder that used WILHELM'S BROOD MARE SPECIAL for the last few years will recommend it to others. The only safe remedy for mares that cannot raise a good, strong, vigorous foal. In cases where it has been used five years, it gave the best satisfaction. If you had trouble in past years with weakly foals, try my special for brood mares and be convinced that it is not an absolute necessity to have weakly foals and that it is an unnatural condition to have them die at from two to ten days. Price \$1.50. Address: J. Wilhelm, V.S., Lock Box 173, Shakespeare, Ont.

he is looking for and in Mr. Attrill an honorable business man.

Mr. J. J. Barry, the veteran horse importer, of Hensall, Ont., has a few fine horses on hand, recent importations, both Clydes and Shires. All are of good scale, for Mr. Barry, while a critic as to quality, is fully conscious of the importance of weight and size in our breeding stock of draft horses. In order to obtain the happy combination of both of these, Mr. Barry has certainly gone the limit in the importation of Gartly Gold (10755), a horse that will easily scale a long ton, 17½ hands high, with grand bone, feet and feather. He was one of the good ones in Scotland, winning several first prizes as a colt and yearling, and for two years had a premium of £120 in Northumberland, where he proved himself and where a get of his own first in a class of 100 foals. He is sired by Gold Mine, a get of Gold Finder. Gartly Gold's dam is the celebrated mare Gartly Princess (12858). She was by the unbeaten Prince of Carruchan and she was the winner of 13 firsts, medals, specials and cups, with numerous other prizes. Gartly Gold will thus be seen to possess the breeding and individuality to make him a horse of immense benefit to any horse-breeding community in the world. Lord Jim is also a fine up-standing stallion of grand undimining and action, by the renowned Lord Lethian and a horse of lots of scale and substance, the kind that Canada needs. He has recently been sold to Mr. Ed. Bell, of Londonboro, who is to be congratulated on the acquisition of a good one. Baron Moffat, vol. 27, is a fine bay with white points, sired by Baron Blacon, dam Betsy Pride, by Lethian King, and he has four registered dams to credit. Lord Carlisle (11402) is a fine stylish brown with white stripe on face and white hind legs. He is a horse with lots of quality and good conformation. He is not five years of age, is sired by Crown Rights, dam Lady Carlisle, by Lord Lethian. He is a horse with grand feet, pasterns and action, good style and is altogether a horse of the most acceptable kind, one that would do good in any country or purchaser.

Among the Shires is still Prior's horse, a horse of easily 2,800 pounds, with a well turned, deep body, good strong legs and sound feet, and he is a fine mover in his paces. He is a horse with a long pedigree. Among his progenitors are many who were prizewinners when well into years, a thing which speaks for lasting quality. Bodenham Banker is a good young Shire, brown in color with three white legs. He has fine quality in his limbs, good fine feather, and is a strong and promising colt. He is sired by Hereford, dam Stout, by Whitley Britton. He has traces to Vulcan on both sides. Lord Shalga (11413) is a nice draft Clydesdale stallion, by Lord Lethian. He is a horse of the fleshy quality kind, and with over twelve inches of clean hard bone below the knee, good legs and feet and a good mover, he should appeal to those wanting to breed good, drafty colts. Mr. Barry has exercised the greatest care in the selection of his importation, and it is well worth the prospective purchaser's time to call at Hensall and see what he has to offer.
