

Ransome Concrete Mixers

In Stock

All the disadvantages of other mixers are overcome by the

1906 Model Ransome Mixer

This machine can be charged lower and at the same time discharged higher than any other batch mixer. The discharge arrangement is perfect. By simply reversing the chute, the whole batch or portion of same can be discharged.

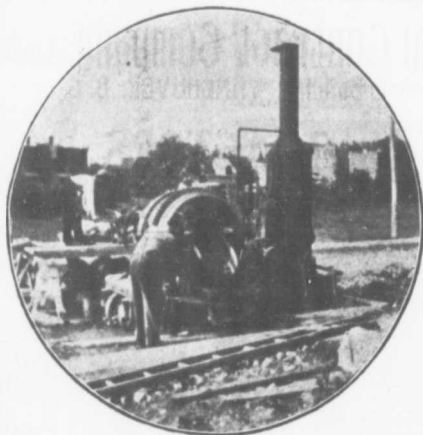

Easy to operate. Efficient. Simple in Construction.

No other class of machinery is subjected to such hard usage and abuse as contractors' equipment. No concrete mixer is fitted to meet these demands as is the

Ransome

Fewest number of wearing parts. They mix perfectly.

Mixers supplied with or without Power. On Skids or Trucks
All Capacities. Immediate Shipment.

We would be pleased to send anyone interested in concrete, etc., Our Handbook—which contains lots of information.
