“Binks used to be daft on the subject of buried treasure. What’s he up to now?” He’s got up an expedition to Asia Minor to try to find the place where Methuselah stored his birthday presents.”

If you want to bring up a child in the way he should go, you had better scuttle ahead.—Mark Twain.

## THE BEST WAY TO KEEP THE HANDS CLEAN.

Women have to do dirty work on the farm as well as the men. Cleaning lamps, blacking stoves, paring potatoes, scrubbing floors and milking, are all hard on the hands.

The thousands who are using SNAP find it exactly what women need, and would not be without a can.

It is a wonderful hand cleaner, instantly removes dirt, stains and odor without much rubbing, and keeps the hands smooth and free of chaps. It is healing and antiseptic. 15c. a can. 114

### GOSSIP.

L. O. Clifford, of Orchard Beach Farm, Oshawa, Ont., reports a most satisfactory trade in Herefords. The extreme hardness of Hereford cattle, and their ability to thrive where most other beef breeds would fail, is being better and more thoroughly set forth by breeders of this old reliable and most popular English breed of cattle. The Orchard Beach herd is one of the oldest established herds in Canada, the present owner having been accustomed to the feeding and care of the white faces from childhood up, and, as usually happens in cases of that kind, acquired an innate love for the breed, and on his attaining his majority and taking over the herd, he at once set to work to bring the herd up to a standard of excellence attained by none other in the country. That he has fairly well succeeded is evidenced by the almost unbroken series of successes he has met with at the leading shows, from Ottawa in the East, to the leading shows of Western Canada. This splendid record has not been attained in a year or two, but in many years of careful selection of breeding animals from the leading herds of the United States. It has cost Mr. Clifford a lot of money, and the Hereford-breeders of Canada will benefit largely by having at their doors a herd of so high a standard from which to select breeding animals. Always for sale are young females and choice young herd-headers.

And still the reports of an unprecedented demand for the better class of breeding Clydesdales continue to come to hand. The latest is from John Semple, of Milverton, Ont., who reports the sale to Wm. Witzel & Son, Khiva, Ont., of the big, quality stallion, Cambushinnie Squire (imp.), sired by the renowned Royal Favorite, dam by the £3,000 Prince of Albion. This is the kind of breeding that has produced Scotland’s best, and in this horse the Messrs. Witzel should have a topper of the tops as a sire, as he has both the breeding and high-class individuality. To Wilmot & Henderson, of Kingston, Ont., went the thick, smooth, good-ribbed horse, Cambushinnie Crest (imp.). He is a four-year-old, sired by the popular breeding horse, Baron Ruby, dam by the great Prince of Albion mentioned above. This horse should certainly do well in the Eastern district of Ontario. His stylish carriage and splendid quality of underpinning ensures him a welcome in any section. To Alex. McDonald, of Toronto, Ont., went the 1,800-lb. mare, Holland’s Queen (imp.), sired by the great prize horse, Gallant Fauntleroy. This is a mare of outstanding merit, and a sister to the late Mr. Semple’s quality stallion, the Prince of Albion. It is worthy of a place in the top prize winners in Scotland, and represents the high-class quality of the best of the importations. He has still a large collection of stallions and mares that interested purchasers would do well to inspect.
