THE LIFE OF A "CHAMPION" EVAPORATOR

The Champion Evaporator is practically indestructible. It will stand an amount of hard work and almost any abuse to which it may be subjected during the rush of the sugar season.

There are thousands of "Champions" both in Canada and the States, which have given entire satisfaction to their owners for the past 20 to 25 years.

First cost is the only cost if you install a "Champion" Evaporator.

Our terms are so reasonable that any man who owns a sugar bush can own a "Champion" Evaporator. The machine will pay for itself before you realize it, too. Don't delay thinking it over. Write us to-day for our new illustrated catalogue, free.
