few days years old. ice-cream. why don't -it is so THE CLAIMS OF THE SUN-DAY SCHOOL.

A teacher writes to the elitor of the Sunday School Times, for something on this subject : "The claims

sive and increasing use for a purpose of the Sunday-school upon the church." The reply was as follows: requiring the utmost strength and endurance-namely, for wheels under Why, what more than the Bible do railway cars and locomotives. A you want? Isn't that "something"? sheet of paper is indeed weak and The Bible is brimful of this subject easily destroyed. But many sheets -as of every other important one. or their equivalent of straw paper formed with straw boards fastened Abraham was a Sunday-school teacher before he was a parent. He had a together and subjected to a tremenschool of more than three hundred dous pressure, and then, after having been shaped, being surrounded with scholars before Ishmael was born. a heavy steel tire, firmly bolted to His instructed, or catechised, scholars were a power in the Lord's service. the paper disc, through which an iron axle-bearing is fixed, forms the (See Gen. 14: 14-16.) The whole safest wheel manufactured. Evidentplan of the Jewish Church gave ly it cannot burst, like an iron wheel, prominence, by the Lord's command, to the Sunday school idea; to the and it never does. About ten years ago the Hudson teaching of the Bible to young and Paper Car Wheel Company, at Hudto old together in the public assemblson, N. Y., commenced to manufacings of the church. The family was not deemed sufficient for this Bible ture these wheels under the Allen patent, but it took years to introduce teaching work in that day; but all the people were to be brought to the

them. In 1877 only about 100 wheels Sunday-school, that those who had were made. In 1878 some 2,000 were turned out; but now these works net learned at home might learn are making at the rate of about there. (See Deut. 31:11-13.) The 5,000 or 6,000 per year, and are sev-Levites were Sunday school teachers gral months behind their orders. Teaching the law itself was a part of The success of the enterprise, after their regular business? (See Deut. the severest tests of the wheels in 33: 10.) When the state of religion actual service, has been so great that was low, in the days of Jehoshaphat, that king sent out the Legites as the company has been reorganized with increased capital as the Allen Sunday-school missionaries all Paper Car Wheel Works, and has through his country; "and they taught in Judah, and had the book erected very extensive works, 394 feet long and 150 deep, at Kensing- that you get "Haington's," the of the law of the Lord with them, ion, a few miles south of Chicago, original and genuine. For sale by and went about throughout all the where they turn out some 6 000 cities of Judah, and taught the per wheels per year, working twelve Canada. (See 2 Chron. 17: 8, 9.) In hours a day, or twice that number the days of our Lord on earth, the running day and night. Sunday-school was a power in Jerusalem; for the Sanday-school was the regular second service in every synagogue. The only incident of the

answering questions, as any good

scholar in any Sunday-school ought

to do. And the boy Jesus was sur-

prised that his parents looked for

him anywhere else, when he could be

in Sunday-school. (See Luke 2: 45-

49.) Why, the Sunday-school, or

THE SUPERINTENDENT.

day-school superintendent! As he

is, so will the school be, on the prin-

ciple that the stream cannot rise

higher than its source, The Study

puts it none too strongly in saying

A Sunday-school superintendent

ought to be a Christian walking on

the high places, knowing that he is

expected of God to rejoice in the

things in which he believes. He needs

piety, because his spirit controls the

school, giving tone to it, and deter-

mining its tendency. If he be world-

ly, the school must be worldly almost

to a certainty. If he be cold-hearted

in the things of God, he must

expect a school spiritually bar-

ren. Walking in the light of the

face into the faces of teachers and

pupils, and they will be led uncon-

Guide and joy.

sciously to long for the spirit of his

In the choosing of a superintendent,

a man of "executive ability" has

been oftener sought than a man of

Christian devotedness. While exec-

utive qualities are by no means to be

overlooked, they are only a part of

the requirements. A superintend-

ent like Moses should not only be

able to govern well, but should come

to his task with his face shining

from communion with God on the

It is a remarkable fact that paper,

Stimulants exalt nervous action temporarily and compel the wheels to revolve rapidly, but they supply no and soon or later break the shuttle. The man who has eaten one pound of beef daily for one year does not the Bible through the form of ques- find it necessary, in order to obtain the same effect, to eat two pounds in the Stomach, and Pains and Aches daily for the next year; but he who of all kinds," and is for sale by all tion and answer-was the approved daily for the next year; but he who fore "the pulpit" as such was a redrinks one pint of whiskey daily for one year, must take two pints daily cognized agency of the church. In fact, the only place in the Bible where "a pulpit" is referred to, shows the second year to obtain the same

Any article of food or drink, the use of which creates the necessity for ent's desk, at a regular old-fashioned larger quantities and at shorter inwas read and explained after the tervals in order to attain the same best of modern methods. (See Neh. 8: 1-8) From Paul's day mental or physical elevation, by that fact proves itself pernicious.

It is no proof because a man grows tians, who look out proof-texts fat and his face becomes red under and hunt the Bible together, have the use of stimulants, that he is improving in health. been, and they always will be, "more

Cholera and all other pestilential noble" than those who neglect this Sunday-school work. You want diseases make their first visits to " something" to show "the claims | those who use habitually stimulating of the Sunday-school upon the drinks.

Of tobacco, Franklin has said that church." Why, one text ought to " he could not think it had ever done much good in the world, since he never knew a person who used it habitually who would recommend another to do the same."

Tobacco is certainly not fit for food for man, nor has it much value as a medicine. The tobacco worm is the only animal known to thrive up in its use. - Health Aphorisms of Dr. F. H.

USEFUL HINTS.

For raspberry vinegar to seven pints of berries add one quart of vinegar; expected to leave it. A physician let them stand forty-eight hours. Then strain, and to every pint of juice allow a pound of sugar; boil fifteen minutes and bottle for use. This is a pleasant drink for the sick.

Toads are so highly valued in Europe as destroyers of insects, especially of those which commit their seems, after takin a dose, as if I had depredations at night, that they are eaten a good, hearty meal. I have depredations at night, that they are an article of merchandise. The market gardeners near London import toads from the Continent at about 8 cents each. Lord, that light will shine from his

Eggs are an article of cheap and nutritious food, which we do not find on the farmer's table in the quantity which economy demands. It is probably because they they do not understand how valuable eggs are for food. One pound of fresh eggs is worth as much for food as nearly two pounds of beel. They are easily digested, if not damaged in cooking, and may be eaten with impunity by children or invalids.

The City Physician of Vienna, Dr. Kammerer, has addressed a report to BE PUNCUAL.

One Superintendent, about a year ago, drew up the following agreement; which he invited his tenchers to sign:

1. I will make a reasonable offer to be many place before the opening of which perfectly the milk and ment. To be a monomined as the case of the latter the second general ways portfully when I am obligate to be an easier.

2.
