CONFEDERATION
Life Association.

THE FOLLOWING PROFIT results

in this Association will be of interest to intending insurers.

Policy No. 618, issued in 1872, at age 30 for \$1,000 on the All life plan. Annual premium \$20.80.

At the Quinquennial Division on the close of 1876, the holder elected to take his profits by way of TEMPORARY REDUCTION OF PREMIUM, and has had the benefit of the same.

This Policy holder will, at the ensuing Quinquennial Division, after the close of the present year (1881), have a TEMPORARY REDUCTION for the ensuing five years \$978, equal to 46.81 per cent. of the annual premium.

The cash profits for the five years are \$4288, equal to 41 per cent. of the premiums paid during that period.

The cash profits if used as a PERMANENT REDUCTION would reduce all future premiums by \$265, equal to 12.68 per cent. of the annual premium.

The above unsurpassed results are the profits for the SECOND FIVE YEARS of the policy.

The next Quinquennial Division takes place as early as possible after close 1881.

In thanking you for the promptness with which you have paid the amount of your policy, No. 3888, on the life of my late husband, I feel it is only due to you and the insuring public, that the liberal treatment you extend to claimants, as proved in my case, should be made known. I advised you this afternoon of his death, which occurred early this morning, and I was pleased to find that you paid the amount of the policy in full on my call at your office, and furnishing you with satisfactory evidence of his decease.

Mr. Abraham Gibbs, writes: "I have been troubled with Asthma since I was ten years of age, and have taken hundreds of bottles of different kinds of medicine, with no relief. I saw the advertisement of Northrop & Lyman's Emulsion of Cod Liver Oil with Lime and Soda, and determined to try it. I have taken one bottle, and it has given me more relief than anything I have ever tried before, and I have great pleasure in recommending it to those similarly afflicted."
