UNUSUALLY BUSY.
Everybody Around Dineens' Establishment Kept Hustling to Fill New Orders.
Dineens' business, which is always the largest, has seen a remarkable increase during the past few days. Since they inaugurated their special sale of furs at less than wholesale prices, they have handled an unusually large quantity of goods. Their salesmen have been taxed to their utmost, and operations in the workroom have been carried on until 9 o'clock every night. Their full staff of workmen have been kept as busy as they could be finishing up the orders.
The great demand at this season is for capes principally in lengths falling below the waist. Dineens are now in a position to supply these goods to their customers at a smaller price than the wholesale dealers anywhere. Shipments of furs arrive for them by almost every steamer from across the ocean. They get them from first hands and manufacture the goods on their own premises in the very latest garments.
If you want bargains come to-day.
