GET YOUR FULL DUE
My FREE Scale Book
Tells You How to Save Many a Dollar.

I want to send you my new Illustrated Scale Book which tells all about CHATHAM FARM SCALES—the best weighing machines ever made.

My book tells how Chatham Scales are made and why they are the best.

It tells about my factory and my liberal selling terms.

Your name and address on a post card mailed today, gets this book by return mail postpaid. It's FREE.

I want to send it to you because it tells many dollar saving facts you ought to know about my Scales.

Every Chatham Farm Scale is tested by an official of the Canadian Government.

He will not put his seal of approval on it unless it is perfect.

And I sell no scales without this seal.

You ought to weigh everything you sell if you want to get full value for your produce.

And you ought to weigh everything you buy if you expect to get your money's worth always.

The men you sell to and buy from may be honest, but their scales may be "a little off" without anyone knowing it.

MANSON CAMPBELL, Pres. The Manson Campbell Co. Ltd.
Dept. 6C, Brandon, Manitoba; Dept. 6C, Calgary, Alta.
Full Stocks at Both Points. Factories, Chatham, Ontario.

Weigh all you sell and all you buy—on your own scales—then you will know.

In nearly every Canadian town I have a responsible agent, who sells my scales and gives you your own time to pay. I make my terms to suit your needs.

The Chatham Farm Scale

Is mounted on wheels.

You can haul it about like a truck.

You don't have to bring things to the scale to weigh them. You can take the scale where you want to do the weighing.

When you write for my scale book, if I have no agent near you, I will tell you how you can buy my Scales direct from the factory, freight prepaid to your Railroad Station.

No one could make you a better offer than this. And by getting a Canadian scale—made by a Canadian concern—you save all customs charges.

But send for my Scale Book today and get this whole story.

Learn how a CHATHAM FARM SCALE puts dollars in your pocket.
