Robson, B. C., 22-4-07

Dear Sirs:—

I bought a lot from you 1st Jan., 1907, not seeing it until I moved on it 27th March. I wish to state the quality of soil, and the location of the property far surpasses my greatest expectations. I have lived on the prairie for twenty years, in southeastern Saskatchewan. I travelled over a considerable portion of B. C. before locating here. People on the prairie imagine living in the Pookies means obtaining a very short glimpse of the sun during the daytime. In fact, according to their ideas, the length of time it takes the sun to traverse the space from behind one mountain until it hides itself in obscurity behind the next, is all the sunshine we are entitled to. I was agreeably surprised myself to find we have just as bright sunny days here at Robson as we had on the Prairie.

People in the East, who are intending moving to some other part of the country, where they can enjoy a more favorable climate, and surroundings, would save themselves a great deal of expense and travel, if they would come to Robson. After they had thoroughly examined the property and the location, they would undoubtedly conclude, "They could not possibly wish a better place to live."

I find all prices for produce and the general description of the property exactly as stated in advertising matter, and not in the least exaggerated.

Yours sincerely  
(Signed) H. Hedley.

WE are offering for Sale a number of choice ten-acre lots of Fruit Lands at HOWSER LAKE, WEST KOOTENAY, B.C. In these lots one acre will be cleared and planted with fruit trees and bushes to order, the selling price including this. Water rights are included and ample timber for building and fuel is readily accessible. First-class cash markets for all produce raised. Railway station two miles, post office and general store one mile. The climate and scenery are magnificent, and there is good boating, hunting and fishing.

The following was recently received from the first party of settlers who purchased land for fruit growing from this company at Howser Lake and who took up their residence at the lake the first of May last. Each of the party was given a fortnight to thoroughly examine the allotment picked out for him, with the option of changing the lot selected or withdrawing. All retained their lots and in addition stated as below:

Howser, B. C., May 15, 1907.

We, the undersigned, residents at Howser Lake, British Columbia, who purchased ten-acre blocks of fruit land from Messrs. Oldfield, Kirby and Gardner while at Winnipeg, desire to express our great satisfaction with the soil, climate and scenery.

The soil is fully up to the description given us, the quality being further proven by the results already attained by the earlier settlers on the lake, while the scenery is grand and beautiful beyond description.
