Let Us Sell Your Eggs for Hatching

Farmers with eggs for hatching for sale from pure bred birds are rapidly filling up the "Eggs" column in the Farmers' Market Place. The best months to advertise eggs for hatching seem to be April and May and we expect to see our classified column for eggs exceed last year's mark altho that was a high one. The Guide offers in this classified advertising department a complete directory where the purchaser has no trouble in locating what he wants and where the advertiser is sure that his ad. will not be lost.

WE DID IT FOR MR. CLARKE

The Grain Growers' Guide:—
My advertisement for hatching eggs, carried in The Guide for four weeks, brought me all the business I could handle.
Yours truly,
Virden, Man., June 15, 1915. T. H. CLARKE.

Mr. Clarke used our Eggs column last year and in four ads. at a cost of $1.00 each sold his complete supply.

WE CAN DO IT FOR YOU

Your success can be as good as his if you have the right stuff for sale at the right price.

Breeders tell us that the demand this year has been good. The same service that gave Mr. Clarke his results is at your disposal. In many ways, even, it is improved. Our circulation is better and we have had more good poultry articles, which means that our readers are in a better position this year than last to appreciate quality offerings.

Do not forget also that The Guide can offer you good service for anything else you may have to sell. The departments for Seed Grain, Potatoes, Horses, Cattle, Sheep, Swine, Farm Lands, Farm Machinery, etc., all offer opportunities. The Guide has "proved up" on every one of them.

Advertising rates are given at the top of this page. Send in your order now accompanied by the amount for the number of times you wish your ad. to run, and let The Guide demonstrate to you, as it has to hundreds of other farmers, how it can sell.
