# NEW HEALTH AND NEW STRENGTH FOR SUFFERING WOMEN

Not be Endured

In silent patience nearly every oman endures suffering that casts thadow over half her existence n aching back, tired limbs, attacks faintness, and headaches and near's life. Such trials indicate nly that the system requires the blood that is supplied through use of Dr. Williams' Pink Pills. ills are valued by suffering who have used them above medicines, because they red blood that makes bright and at their Gollard cover

> trouble, and from a woman weighing 140 ay in weight to 95 so weak I could the floor, and hardly knew great was my andon and aid that

hospital for Being a farmer hat this was impossib Brandon I met a friend ly urged me to try Dr. was ims' Pink Pills, telling me that they had cured her trouble similar to mine, urged me to try Dr. after an operation had proved of no benefit. She had such strong faith in them that she gave me the first box, and I began using them. It was not long before I found much relief. I continued to use the Pills all the rest of that summer. and the result was they restored me to perfect health. I told the me to perfect health. I told the doctor what Dr. Williams' Pink Pills had done for me, and his reply was that he considered what they had done for me little less than a miracle. I have since recommended the Pills to many Instances Among Celebrities—Dickothers who have suffered from woman's troubles, and they always produced beneficial results. I hope that this statement will be of benefit to some other suffering per-

These Pills are sold by all medi-cine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## NOT PLEASANT.

General Butler Tells of Being Prepared for Burial at Sea.

Among the many curious adventures which Lieutenant General the h summer complaint. He was Right Honorable Sir W. F. Butler, with vomiting and nothing G. C. B., records in his Autobiom till I got Baby's Own graphy is that horrible one of allmost being buried at sea alive. It was after the Ashanti expedition on the gold coast of Africa, when all the officers practically came down jams' Me- with fever. General Butler had it

the climax on board the transport MONEY WEARS OUT QUICKLY.

"I dimly remember people gathered about my cot," he says, "and one good comrade asking in my ear Charles Livingston Bull had the good fortune to see a young jaguar at play in a jungle of British Guiana. He tells, in "Under the Roof of the Jungle," how the great cat combined amusement with business.

Charles Livingston Bull had the good comrade asking in my ear for my last wishes. I remember, too, suddenly declaring that I died a Catholic. Then there was a blank, but not altogether, for I can recollect that after the usual final settlings of face and limbs had been made—the even closed and the limbs had been made—the even closed and limbs had limbs and lim been made-the eyes closed, and the He climbed a slight rise of ground sheet drawn over the laid-out figure this low ridge he saw a curious creature making off among the big roots.

In two bounds he overtook it, he was not as people supposed; that I was still conscious, and even that I was being carried by invisible hands, or being floated on towards a great cloudtouching me and talking to each other. Then I thought, 'These men are about to prepare my body for the sea;' and as in these hot latities that, and walking to one side, sat down and washed his face and paws just as a cat might have done, pretending to take no notice of the curious, hard-shelled beast. It was an armadillo, that curious creature which, like the tortoise, carries its house upon its back. The hinged bands in its shell enabled it fold head, feet and tail compactive shape of a sphere. Its tough, elastics shell was proof against even the blows of the big cat.

The jaguar's attention was next attracted by sounds from the jungle of cracking brush, squealing and grunting. Leaping lightly upon a fallen tree trunk, he crouched, perhaps ten feet from the ground, and watched a band of peccaries, little black pigs of the jungle, which were sound again.'

Touch the saturating to each other. Then I thought, 'These men re about to prepare my body for the sea in these hot latitation, and longed to be as in the set was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonome death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horonomed death and burial in the ocean was a very short one, I felt the extreme horono
