T. & L. OFFICERS WERE RE-ELECTED

Council Objected to Straw Vote Taken in Public Schools

MORE COAL BUREAUS

Would Have Three Additional Depots Opened

Though a small attendance was recorded at the meeting of the Trades and Labor Council last evening, considerable business was done there. The following resolution was moved by Delegate McGrattan: Whereas on a date previous to the recent federal and municipal elections in the public schools of Brantford the children were called upon to express their opinions as to the candidate likely to be elected.

Whereas such "straw" vote would necessarily forecast the results and make evident to the authorities what were the views expressed in the various homes from which the children came.

Therefore be it resolved that the Council views with apprehension the possible abuse of this form of knowledge and its tendency to invade the secrecy of the vote and further be it resolved that a copy of this resolution be sent to the Brantford Board of Education and to the Minister of Education.

Delegate Crowley seconded the motion and it was carried unanimously.

Officers Elected.

Moved by Delegate Crowley and seconded by Delegate McGrattan, That the present officers, with the exception of the secretary-treasurer be elected by acclamation. And the secretary-treasurer being absent, that the election of that office be left over until next meeting. Carried Resolutions Regarding Fuel Distribution.

It was moved by Delegate McGrattan that "Returned soldiers be placed in charge of the Municipal fuel distributing duties as the fuel office in place of the men now occupying the positions and that a copy of the resolution be sent to the city council. Delegate James seconded the motion and it was carried.

Delegate McGrattan then moved that the Central coal distributing office be used only for those who get coal through the central depot were mothers to whom it was great inconvenience to have to wait so long in order to get coal. If the residents were confined to districts in which to order their coal it would be of considerable advantage to all concerned.

The Matter of Potatoes

Proposed by Delegate James, seconded by Delegate McGrattan, and carried.

"Whereas potatoes were declared by the Food Controller's Office early last fall to be in great abundance in Canada, and in consequence it was ordered that the retail price should not exceed \$1.25 per 90 pound bag, which order was never enforced; and

Whereas the price has now been permitted to reach the exorbitant sum of \$2.25 per 90 pound bag; and

Whereas, now that the season is growing late and because of the immense stores of potatoes still held by the profiteers, officially announced as seven million bushels in Canada and one hundred million bushels in the United States, the price shows a tendency to fall, the Food Controller's office purposes to fix the price at the highest ever reached this season, namely, \$2.25 per 90 pound bag, thus tending to restrain the downward trend of the market; and

Whereas it is said to be the intention of the Food Controller to compel an admixture of potatoes with wheat flour in the production of bread, thus lowering the food value of the bread;

Therefore this Council is of opinion that any fixing of prices for potatoes in the interests of the producer or the middleman and against the well-being of the consumer, should be reconsidered, and that if potatoes are to be substituted for wheat flour, the price should be so fixed that the consumer pay no dearer for the energy units and protein contents in the substitute than in the article so substituted, while taking the food Controller's own estimates of 1625 energy units and 7.9 per cent. protein content in a pound of wheat flour retailing at 7c. and 310 energy units and 1.8 per cent. protein contents in a pound of potatoes, makes the equivalent value of a 90 pound bag of potatoes less than \$1.00.

And be it also resolved that in any and all other cases where substitutes for wheat flour, beef, cheese or any other food desired to be conserved for overseas use, be recommended or ordered, the Food Controller take steps to restrain the boosting of the price of such substitute out of proportion to its comparative food value.

And be it resolved further that this resolution be by our secretary forwarded to the Food Controller's Office, to the Prime Minister, and to the local city council."

Proposed by Delegate Crowley, seconded by Delegate Parmenter and carried.

Whereas the assigned pay of our soldiers overseas is preposterously small compared to service rendered, and compared to wages current among munition workers and others, among whom are foreigners earning man ytimes the sum per day dolled out to our men at the front; and

Whereas it is derogatory to a Canadian soldier's dignity and subversive to the freedom, independence and self-respect of the soldier's dependents to receive charity; no matter how readily tendered, and whereas the giving of such charity may now that the soldier's mothers, wives and daughters have the right to vote in parliamentary elections, be made the occasion of undue influence being brought to bear upon the recipients for sinister purposes;

Therefore be it resolved by this Council to petition the Federal Government to raise the pay of the Do-

COMB SAGE TEA IN HAIR TO DARKEN IT

Grandma kept her locks dark, glossy, and youthful with Sage Tea and Sulphur

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply mistle your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Why Trifle With Your Eyesight?

It is the most valuable gift of nature. If your vision is dim, if your eyes burn—if you need glasses—the right glasses—and you need them at once.

We will examine your eyes, prescribe and make the kind of glasses that will correct your vision and add to your comfort and health. Our charges are reasonable.

HARVEY Optical Co.

Manufacturing Optician. Phone 4478
18 S. Market St. Open Tuesday and Saturday evenings.

CONFIDENCE RESTORED IN FRENCH GENERAL

General Nivelle, former French Commander-in-Chief, whose appointment to the command of the army in Algeria is considered as a compliment in the eyes of the French, has been discharged from the discredit into which he fell as a result of the April offensive.

pel an admixture of potatoes with wheat flour in the production of bread, thus lowering the food value of the bread;

Therefore this Council is of opinion that any fixing of prices for potatoes in the interests of the producer or the middleman and against the well-being of the consumer, should be reconsidered, and that if potatoes are to be substituted for wheat flour, the price should be so fixed that the consumer pay no dearer for the energy units and protein contents in the substitute than in the article so substituted, while taking the food Controller's own estimates of 1625 energy units and 7.9 per cent. protein content in a pound of wheat flour retailing at 7c. and 310 energy units and 1.8 per cent. protein contents in a pound of potatoes, makes the equivalent value of a 90 pound bag of potatoes less than \$1.00.

HOW MRS. BEAN MET THE CRISIS

Carried Safely Through Change of Life by Lydia E. Pinkham's Vegetable Compound.

Nashville, Tenn.—"When I was going through the Change of Life I had a tumor as large as a child's head. The doctor said it was three years coming and gave me medicine for it until I was called away from the city for some time. Of course I could not go to him then, so my sister-in-law told me that she thought Lydia E. Pinkham's Vegetable Compound would cure it. It helped both the Change of Life and the tumor and when I got home I did not need the doctor. I took the Pinkham remedies until the tumor was gone, the doctor said, and I have not felt it since. I tell every one how I was cured. If this letter will help others you are welcome to use it."

—Mrs. E. H. Bean, 525 Joseph Avenue, Nashville, Tenn.

Lydia E. Pinkham's Vegetable Compound, a pure remedy containing the extractive properties of good old fashioned roots and herbs, meets the needs of woman's system at this critical period of her life. Try it.

If there is any symptom in your case which puzzles you, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.

Proposed by Delegate Parmenter and carried.

GIRL! MOISTEN A CLOTH AND DRAW IT THROUGH HAIR

Surely try a "Danderine Hair Cleanser" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates, and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will spend a few cents for a bottle of Knorlton's Danderine at any drug store or toilet counter and try it as directed.

Save your hair! Keep it looking charming and beautiful. You will say this was the best money you ever spent.
