The Colonial StanDarD. TUESDAY MORNING, NOV. 23, 1856. The "Eastern Chronicle" on the Picton Railroad.

"Zastern Chronicle" on the Picton maintaid, "The Field Residue and the lopes of the tand," designed apparently to guard the peo tand," designed apparently to guard the peo Pictou against impogure. It assumes, with attervisib boliness of assertion, that the goving and the lopes of the tand," designed apparently to guard the peo tent have really no intention to make a road to Pictou against more than mere clapterap realized to bild and mislead ations, designed to blind and mislead attants, designed to blind and mislead attants, designed to blind and mislead anying that we should send a rogut to apprecision the formation of the realized provide datoone the formation of the low sender the state of the hustings at the next electric There is an old signing that we should send a rogue to other regue, and when the *Lastere Olivoide* denomes ing has not carcinity fallen into bunds. There is mother saving that a certain class of morilation is mother saving that a certain class of morilation is mother saving that a certain class of morilation abuld have good memories, and this we recom-mend to the serious attention of the Editor of the *Lastero Olivoide*. However, did a more they present occasion, for he never did a more mannes, in regard to a Fletor Rairoad, which and distinguished actor. d distinguished actor. We are not called on to defend th

alous charge, and d not as designed to on from the imputation of i of fraud and folly we would simply say, itor of the *Eastern C* as clection takes place, to no railroad will be do ught : ernment, we apient editor before the el-ailroad or no o railroad ite of the government. "When did the governm Diston?" We w ture, in spe-would say, "When due -ou a railroad to Pictop r, and say, "The different out and your governmer," mat has promised no set has promised no overnment has promised no of Pictou, and yet is stead government did promise a ad never intended to make o
