Death of Miss Mabel Coldwell.

A deep shadow has been cast over Wolfville by the sudden death of one of our most dearly beloved girls, Mabel Coldwell, daughter of Prof. A. E. Coldwell. Only two weeks ago Miss Coldwell returned from St. Louis, where she had spent the past year with her sisters and brothers.

She seems a mere child, and on Monday night she was called from us. Miss Coldwell is a graduate of Acadia, having studied two and one-half years in the class of 1902. At Christmas of her Junior year she went to Waverly, Mass., to take a course in nursing. Returning the following year she entered the class of '03, and graduated in that year. Her sweet, lovable disposition won for her a host of friends both in town and in college. The personal loss experienced by both relatives and friends is very keenly felt, but through our tears we look to the One who was her Comforter, and though we cannot understand, yet the influence of her Christian life bids us trust. She was not only the name but in reality a King's daughter, and has gone to be with the King.

In this great bereavement profound sympathy is felt for both Prof. and Mrs. Coldwell, and also for the brothers and sisters in St. Louis. Mrs. Coldwell arrived from St. Louis Tuesday, unaware of the sad tidings until her arrival. May the God of comfort support these loved ones in this trying hour.

The funeral Thursday afternoon was from the residence of Mrs. Higgins, where the deceased has remained since her return. Rev. L. D. Morse conducted the service in his usual sympathetic manner.

Liberal Political Meeting.
The Liberals held a meeting in the Wolfville Apple Storage Co's. warehouse on Wednesday evening. Mr. J. W. Bigelow was elected chairman. Sir Frederick Borden, who was first introduced, was not very enthusiastically received, but his speech was listened to quite attentively.

Laurier had dissolved Parliament one year ahead of time in order to ascertain the opinion of the people re the Grand Trunk Pacific. Mr. Borden in continuation, declared that the Government's policy and the reduction of postal rates. He declared that Canada's trade was growing immensely, and that he had done his best for the county he represented. Mr. Borden in continuation, declared that the Government's deal with the G. T. P. was much more favorable than the Conservative administration's deal with the C. P. R. Mr. Borden spoke for about an hour, at the end of which time Mr. Wickwire was introduced.

Mr. Wickwire was sorry for the conservative candidate, Mr. Innes. Mr. Wickwire's speech was of some length, and was in defense of the Government's expenditures. The meeting was chiefly characterized by a most plentiful lack of enthusiasm, the majority of those in the audience being conservatives.

The many friends of Mr. Peter Innes, throughout the county, are sorry to learn that through ill-health he has been compelled to decline the Conservative nomination and go abroad for medical treatment. He left for Boston on Wednesday. A convention is to be held at Kentville on Saturday to select a candidate in his place.
