

OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. At any drug store.

Vol. VII. SEPT. 29, 1915 No. 16

MR. AND MRS. FOSTER ARE RECOVERING

Albion R. Foster and Mrs. Foster who were so seriously injured when their auto went over the bank into the Big Shikto-hawk stream at Bristol on Friday, are well on the way to recovery, although both are still in bed at the residence of their sister, Mrs. Reed Chase, Maple street.

Neither party sustained more serious injuries than terrible bruises and abrasions, and severe nervous shock, all rumors to the contrary notwithstanding. While both have been suffering extremely at no time was their condition alarmingly serious.

That the car turned clear over and landed in the stream right side up with its four occupants still in it is evidence of a performance no one would care to repeat. Guy Welch of Bristol was among the first to the rescue and the injured party was taken to his home. Dr. Somerville rendered first aid until the arrival of Dr. Curtis, the family physician.

Brought to Hartland on the express the injured people were taken to Mrs. Chase's home, where Dr. Rankine assisted Dr. Curtis in minute examination. The two have since been under the immediate care of Miss Stevens and Mrs. Barter, trained nurses. It is expected Mr. Foster will be on his feet in a few days while it is feared Mrs. Foster will require a longer time to recover, her injuries being more serious.

The other members of the party, Mrs. Geo. Colwell and daughter Della, are quite recovered. The auto was a sorry looking vehicle but under the skilful hands of R. S. Semple of East Florenceville it is being repaired to cavort the roads some more.

THE PARISH ELECTIONS

Up to this week there has been little interest in the forthcoming parish elections. Now it is quite certain that there will be a contest in Brightou, at least, for in this issue are the cards of three candidates. Two or three are

new, Councillor Britton having retired, as he announces, in favor of Fred Smith at Windsor.

The three offerings are all good men, two of them Conservatives and one a Liberal. It would be only fair if the electors sent a representative of both parties, to even matters up. Further than this The Observer has no suggestion as to a choice.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girl! Try It! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fash, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

To Electors

To the Electors of the Parish of Brighton: Having been approached by a large number of electors of the parish, I have decided to again offer myself as a candidate in the approaching municipal election in October next.

For the past six years, during which you have favored me with your confidence, I have endeavored to serve my parish to the best of my judgment and ability.

I trust that my conduct at the Board has been such as to merit continuance of your support, and if elected my best efforts will be given not only to our county as a whole, but especially to the interests of my own parish.

Soliciting the same hearty support you have always accorded me in the past, I remain yours sincerely,
