## **Delaware Park Survey**

The development of this survey is progressing rapidly.

Three additional building permits were taken out on 13th instant and ground was broken on the same day. Plans for three additional louses are being prepared, and will be proceeded with in quick succession. Grading operations are being completed and sidewalk construction re-commence on the 20th instant and be pushed with all due speed. A maple tree will be planted in front of each lot within the month, and a general transformation will take place in the appearan this already beautiful location.

Have you invested in a lot? If you are interested in securing an eal spot for a home, can you improve on this opportunity? Can you danyone who will advise you against an investment in a Delaware to? Then why delay in making a selection? Are you waiting for prices advance or is there any good reason you can give?

We recommend an investment

We recommend an investment here to all our clients and for the best of reasons we advise them to act promptly.

## YOUR OPPORTUNITY

To secure a choice lot on "Beulah Survey" at present prices expires in 15 days, when we advance our prices \$2 per foot. Every young man should have an ambition to our "a home." First necessary step is to secure a building lot, and get it mid for. It will take the savings of the ordinary young man 3 to 5 years to pay for in building lot. This is one of the reasons, young man, why you should buy now. With the average growth of the city you will payfat least 30 per cent, more in five years hence. You should not forget the fact that present prices of Beulah lots, viz., \$12 to \$15 per foot, were made before any homes were built or city improvements were made. Another fact which you must consider is that all these improvements have been paid for by us. Reasonable payments and terms.

## SPIRITUALISM

The First Spiritual Society, A. O. F. Hall, James Street.

Speaker Mrs. F. Aliyn. Services at 11 a. m. and 7 p. m. Lectures based on subjects from the audience. Children's Lyceum at 10 a. m. All are cordially invited.

The other passengers of the steerage objected to the presence of the body on board, and informed the mother that unless the child was thrown overboard a storm would overwhelm the steamer. About midnight the body of the child was thrown into the see. Officers of the steamer soon discovered what had happened, and the ship's surgeon, who made inquiries, is said to have expressed the fear that the child was merely in a comatone condition, and might have been revived under medical treatment. Mrs. Lebyck was taken to Elits Ieland.

Body of Unknown Man Awaiting Identification at Dunnville Dunnville, April 17.-The body of an

Dunnville, April 17.—The body of an unknown man was found on the railway track, about a mile east of Darling road station, by the section men last evening. There was nothing on the body to lead to identification and no money nor valuables were in the clothing. The body was that of a strong, well-nurtured man, about forty years of age, five feet six inches in height and about 180 pounds in weight. The hands do not show hard work.

The clothing and body were clean, but the clothing is cheap. The dark hair is close cropped, the coat buttoned up to the chin, and the trouzers bluegrey with stripe, give the appearance of a prison garb. There are no marks on the body and the cause of death is unknown. Mr. J. A. Scholfield, undertaker here, has embalmed the remains, awaiting identification.
