### **GAUSE AND EURE** OF RHEUMATISM

Due to Impurities in the Blood .--Cured by Dr. Williams' Pink Pills.

The most noticeable and immediate result of rheumatism is a marked thinning of the blood, and in no disease does it develop more rapidly. Not only does the blood ome weak but it is soon filled with impurities, which the different organs of the body have been unable to throw off. One of the most harmful of these impurities is unc Located at Hague Hotel --- Loss of acid, which is formed from the waste products of the body. In health it is really passed off by gen from the red corpuscles of the blood. Without oxygen the kidneys are unable to rid the system of this acid and it is retained in the blood and distributed to all parts of the body. The week back ains across the kidneys and thin scanty, highly colored secretions, which follow show that the acid is already in the blood and often leads the sufferer to think he has an insterior fermionent, of which he kidney trouble. It is readily seen that the only way to cure rheumatism is through the blood. Dr. Williams' Pink Pılls afford such a treatment as they contain all the elements necessary to build up and purify the blood. They increase its oxygen carrying capacity enabling the kidneys to pass the uric acid from the body and the other organs to do their work. Thus rheumatism is reached at its root and permanently cured. Dr. Williams' Pink Pills are absolutely free from all habit-forming Springhill. Mo., Oct. 16.—Walter
