After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me."

"I saw the Compound advertised in our paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters. Women everywhere in Mrs. Alters' condition should profit by her recommendation, and if there are any complications write Lydia E. Pinkham's Medicine Co., Lynn, Mass., for advice. The result of their 40 years experience is at your service.

War Memorial Discussed By Council

(Continued from page 1.)

meeting of a committee of the whole Council was held on March 15th, to consider draft of Bill for presentation to the Legislature of N.B. to authorize the Town of Newcastle to issue twenty-year six per cent. debentures to the amount of \$150,000, for the purpose of improving, extending or supplementing our Electric Light and Water System. The bill, as submitted, was approved by the committee, and the Mayor and chairman of the Light and Water committee were authorized to arrange to have the necessary copies printed, and when ready to have the Bill introduced in the Legislature.

We would therefore ask that the action of the committee be confirmed by the Council.

In reply to A.M. Stuart's question as to what had been done by the committee that were considering the report of K. F. Smith on the power question, and the proposals of the Richibucto-Rexton power plant and Ald. Mersereau of Chatham, Mayor Troy said that the committee had met but had not completed their work. They were in communication with the Richibucto-Rexton Company, and with Chatham, but had not had estimates of cost from either. They had not yet been able to secure an engineer to make estimates.

Re meeting of the Town Council with the Assessors, no meeting had as yet been arranged for, as Assessor S. A. Russell was ill. He hoped to be able to have the meeting some time next week.

The following officers were appointed for the Town Elections on April 15th next:—

Returning Officers—J. W. Davidson and Fred V. Dalton.

Poll Clerks—F. E. Locke and Edward W. Keating.

Constables—George Bethune and John Fallon.

The salary of Town Marshall John Ashford, from April first next, was fixed at \$50 per month, he to also have the collection of all default taxes at ten per cent commission.

Ald. Crocker proposed that something be done to raise a fitting memorial to those who had given their lives in the great war. The matter was being taken up by many towns and by all governments, and he thought Newcastle should also show its gratitude in a becoming way.

Ald. Durick said that the proposal was very commendable. As the time of this Council was short, and the Local Legislature had not determined upon its action, he recommended that the matter be referred to the next Council. Nothing was too good to be done to keep the names of fallen soldiers before the public.

Ald. Durick moved that this Council place itself on record as favoring the installation of a suitable memorial for our fallen heroes and impress upon the incoming Council the importance of having this done.

This was seconded by Ald. Crocker. Mayor Troy said that to honor the fallen was our supreme duty. Those noble men were worthy sons of the British Empire. Nothing definite about memorials was likely to be done before the signing of peace, and then it should be well done.

Ald. Stuart said that all honor was due the men who had laid down their lives. As the result of their fearlessness, said he, we now had a new world.

The motion passed unanimously. Adjourned.

Rev. J. F. McCurdy Suitably Remembered

Beloved Pastor of Redbank Presbyterian Church Presented with Purse of Gold—Leaves for New Field May 1st

Rev. James F. McCurdy, B. A. who is leaving the pastorate of Redbank, Whitney and Halcomb Presbyterian Churches at the presbytery's request to take charge of New Carlisle, P.Q., was treated with a most delightful surprise one evening last week when his people gathered from every part of the congregation to the Manse in Redbank and though the night was rainy, overcrowded the house, there being over one hundred visitors.

In the course of the evening, the following address was read to Mr. and Mrs. McCurdy, the former being presented with a purse of over one hundred dollars, and Mrs. McCurdy with an extremely handsome autograph quilt from the ladies of Boom Road.

Dear Mr. and Mrs. McCurdy, We have learned recently of your intention to sever your connection with the congregations of this field—Redbank and Whitneyville—and we wish you to accept this little gift as a token of the esteem in which you are held.

Since you have taken charge of this pastorate seven years ago you have worked untiringly, often meeting with reverses and disappointments, but ever working on to the successful accomplishment of your duties.

We regret your departure from our midst and assure you that our prayers and best wishes for your success and prosperity shall follow you in your future charge.

The address to Mr. and Mrs. McCurdy was read by Miss Leila McKenzie, of Whitneyville, and the presentation made by Miss Mary Rae, of Strathadam. The presentation of the quilt to Mrs. McCurdy was made by Mrs. John Cain of Boom Road.

A very pleasant evening was spent. Mr. and Mrs. McCurdy have the satisfaction of leaving a much attached congregation behind them. During their seven years' pastorate, considerable spiritual progress has been made. Financially, the debt of \$1300 on the church was discharged, and a splendid new manse built, which is now practically free of debt.

Through the whole of the war period Mrs. McCurdy was president of the local Red Cross. During this time the ladies raised \$1,500, and shipped 1,300 pairs of socks, besides other garments for the soldiers.

Rev. Mr. McCurdy was very active in all forms of patriotic work, and the congregation has a fine record of volunteer enlistments for active service, one of whose members won the D.C.M. with Bar and the Military Cross. This was Morrison Jordan, of Cross. Thirteen laid down their lives in the cause.

Mr. McCurdy's own son, a boy in his teens, was one of the soldiers who volunteered for service in Siberia. Mr. and Mrs. McCurdy remove to New Carlisle about May 1st.

BASKET BALL

Basket-ball fans were treated to a novelty game at the Temperance Hall last Thursday when the Ladies and Men of Mr. Gough's Physical Culture Class met as a result of a challenge issued to the girls by the Defers. Mr. Gough refereed.

The game was fairly fast considering the fact that both teams, for the first two periods at least, were somewhat overcome by the novelty of the situation, which, coupled with a lack of practice, slowed the game up considerably. However, the clever combination of the Boys, and the dogged determination of the ladies managed to provide the spectators with a most enjoyable evening, and the clever work of the players elicited many rounds of applause.
