### Chamber of Com- merce Activities

"Building a Chamber of Commerce  
for St. Catharines of 400 or more  
members without at the same time  
providing an income adequate to the  
needs of the enlarged organization,  
would be largely a waste of effort,"  
according to one of the supporters  
of the campaign, who told a St. Catha-  
rines representative today how the  
new chamber will be financed.

He said that the income of the  
chamber will depend directly upon  
the confidence reposed in it by the  
community, because that income will  
arise from membership. "The pay-  
ment of dues in the acid test by which  
it can be determined whether the  
organization is trusted or not," he  
said.

"The income plan under which  
the chamber is being expanded in a  
uniform pledge of \$25 dues a year  
for three years. The reasons for  
adopting this scale and the period  
named are entirely sound. They are  
founded on actual experience, not in  
one city, but in scores of them.

"Membership dues of \$25 a year  
will provide the least amount the  
chamber should have to insure effi-  
ciency; to be the really big, capable  
civic-commercial organization a city  
like St. Catharines should have, and,  
I am convinced will have.

"Some men will ask: 'What are you  
going to do with all this money?'"  
He will overlook the fact that the  
Board of Directors, which includes  
some of the shrewdest business and  
professional men in St. Catharines,  
have examined the plan for the or-  
ganization with as much care as  
they would give to their own busi-  
ness affairs, and have agreed that  
\$25 a year is the least sum required  
from each member.

"Eighty-five per cent. of the com-  
mercial organizations of the country  
have membership dues of \$25 a  
year. The number of such organiza-  
tions is steadily growing, this prov-  
ing that more and more of them are  
finding the truth of what the Cham-  
ber of Commerce specialists learned  
six years ago. The Rotary Clubs of  
the continent started with member-  
ship dues of \$5. Today most of them  
have raised their dues and they are  
all tending toward \$25.

"The lowest actual cost of main-  
taining a Chamber of Commerce that  
is worthy of the name is from \$15  
to \$19 a year per member. This  
fact has been well established. This  
minute a Chamber of Commerce be-

comes a real live organization, its  
necessary expenditures begin to climb  
from those figures.

"The modern Chamber of Com-  
merce must maintain suitable quar-  
ters; that means rent to pay. It  
must have efficient management;  
this means the employment of a  
trained and capable secretary. In  
such a city as St. Catharines the  
Chamber of Commerce should have  
one or more bureaus to give special  
service to the members and the citi-  
zens; this involves the employment  
of men of ability. It must have an  
office system; this means clerical and  
stenographic assistance. There are  
other items of expense, every one of  
them legitimate and necessary, which  
amount to a considerable sum each  
year.

"Uniformity of dues needs no argu-  
ment." The days when the small  
storekeeper was admitted to the  
Chamber of Commerce for \$2 or \$5 a  
year, and the big corporation asked  
to subscribe \$200 are past.

"The relations of the small store-  
keeper and the big corporation have  
been accurately defined in the modern  
civic-commercial organization. Each  
becomes a member with equal  
obligations and equal rights.

"In place of the disproportionate  
membership payments of the old  
days, the modern Chamber of Com-  
merce says to the big corporations,  
in effect: 'Your larger interests in  
this community increase your re-  
sponsibilities for its well being. You  
have more at stake than the small  
storekeeper, and therefore you should  
support the Chamber of Commerce  
in proportion to your investment in  
this community.'

"To make this possible, the plural  
membership plan has been devised.  
Under this plan the corporation, firm  
or individual subscribes to a number  
of memberships. Since, however, the  
chamber cannot permit the plural  
subscribers to dominate its affairs,  
it allows each subscriber to have one  
vote only, the same as the smallest  
storekeeper in the organization.

"It is the custom for the subscrib-  
er to plural memberships to assign  
them to the younger men in his em-  
ploy, the assignments being absolute  
and carrying with them the power  
of one vote each. This brings into  
the Chamber of Commerce the young-  
er men of business. It interests them  
in community work early in their  
careers and makes certain of the  
presence of men who will be the  
leaders in the community in a few  
years.

"The three year guarantee is an-  
other outgrowth of experience. A  
Chamber of Commerce can do much  
in one year, but a program of work  
that covers three years is vastly bet-  
ter than a one-year affair. To make  
it possible, though, the directors  
must know what the income is going  
to be. The one-year plan is univer-  
sally unsatisfactory; the three-year  
plan has never yet been abandoned  
where tried."

#### BUY CLOVER SEED EARLY

Prime red clover seed was quoted  
at \$35.55 per bushel on the Toledo  
market of the 6th instant. Toronto  
prices then ranged about \$3.00 per  
bushel in advance of Toledo prices.  
Clover seed that would grade "prime"  
on the Toledo market could be bought  
in Toronto at \$38.50 and, because of  
exchange conditions, delivered to  
United States points at approximat-  
ely \$33.00 per bushel, or about \$2.50  
less than the Toledo price. The money  
situation, short supplies and a livelier  
demand in the United States will  
explain the heavy exports of clover  
seed.

The price of red clover seed has  
advanced almost \$14 per bushel on  
the Toledo market since May last.  
The world supply will not be suffi-  
cient to meet normal requirements. In  
these circumstances, Canadian farm-  
ers who delay the purchase of their  
clover seed requirements until seeding  
time may be unable to obtain sup-  
plies at any price.

### DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION,  
BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DIS-  
EASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS.  
The knowledge gained from many years' experience in treating diseases just like yours is of much value  
to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well, that  
he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every pa-  
tient the benefit of the knowledge acquired through the long experience of a graduated, licensed and regular  
of specialist, in order to bring about the most satisfactory results in the shortest possible time.

#### NERVE EXHAUSTION

A CONDITION AFFECTING MANY MEN—THE GREAT AMER-  
ICAN DISEASE—IT IS BROUGHT ON BY OUR MAN-  
NER OF LIVING—OUR WORRY AND HURRY—AMERIC-  
CANS EXHAUST MORE NERVOUS ENERGY THAN ANY  
OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their  
nervous system. These men do not know what is the reason they  
don't feel right—why they can't work like they used to—why they  
tire so easily and why they are irritable, nervous, despondent,  
weak, pale and lack ambition. These conditions require the ex-  
pert knowledge and treatment of a specialist who has had many  
years' experience in just such ailments. A specialist learns by  
experience to know just the right treatment at the right time so  
that the patient can be dismissed at the earliest possible time. Men  
affected with nervous exhaustion have no endurance—no ambition  
—everything they attempt is an effort. Life to them appears as a  
long, gloomy future. Their appetite is poor and variable—they be-  
come irritable, cross and discouraged. They have pains and aches  
in various parts of the body and there is often indigestion and  
pains in the stomach. Sleepless, wakeful and restless nights fol-  
low.

#### RHEUMATIC AILMENTS

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO,  
PAINS IN BACK, SWELLING, ACHING, PAINFUL  
CONDITIONS IN ANY PART OF THE BODY—INFLAMED  
AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY  
OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumat-  
ism. Many of these men go from day to day suffering untold agon-  
ies thinking they cannot be cured. They have tried liniments, rub-  
bing, massage, salts and other treatments without experiencing  
any relief, and they are now going through life thinking they  
are martyrs to that burden called Rheumatism. If these men could  
I only know how easy it is to get rid of many rheumatic conditions  
I know they would not suffer another single day. Then all suffer-  
ers of rheumatism would be strong and healthy if they could get  
rid of the condition. Rheumatic patients are nearly all strong  
and robust before being attacked by this ailment, and therefore  
it is so hard for the man to understand why he should suffer the  
agonies of such a condition. When a man gets rid of such a condi-  
tion he feels that a heavy burden has been lifted from his life, and  
he starts right out to make up for lost time both in money and  
pleasure. When a man comes to my office suffering with the  
above condition he is given a most careful examination, and he is  
given treatment that he feels is giving him great benefit.
