the latter immediately shut offsteam and Appl ing to God for safety and mercy. Mr. Noble endeavored to allay their fears and office bearers:—President, Rev. A. Edwirds: Committee, H. Elford, A. Dud, J. Cubic c, J. Murquis, Mrs. H. Elford and Miss D. Holmes; Secretary, John Connolly.

An unfortunate accident happened to an average them by holding up hopes of safety from the impending peril. Shortly afterwards Miss Gibson went forward and was not seen by him again. Noble was in the engine room to appear to a succeeded in quieting them by holding up hopes of safety from the impending peril. Shortly afterwards Miss Gibson went forward and was not seen by him again. again. Proble was in the same again. Proble was in the same again. It was the same again again. It was the same again again. It was the same again again. It was the same again. It was open the door, but could not owing to a quantity of wood and freight having which fri of his legs over the shaft been washed against it by the sea. But the ran, ander ig against trees, etc., ledy violently throwing the day rollength throwing the day of the range on deck as the steamer was going down. Noble immediately broke the upper part

of the door with the starting bar of the engine and after first assisting Miss Williams through, he followed her and assisted her on deck. At this time the steamer was lifting badly to leeward and the deck. the decks were covered with ice. great difficulty Noble succeeded in get

school Beard Secting.

The regular meeting of the Board of the boat Noble could not see any of those lost but two. They were clinging to the mast, and he thinks they were chool, on Monday last.

Present — Mr. Crabb in the chair. School Truste's was field in the Central to the mast, and he thinks they were School, on Monday last.

Present — Mr. Crabb in the chair, a few moments they were gone, all Messrs. Cooke, Swanson, Megaw, Fergus on, Nicholson, Buchanan and Pasproving unavailing, it being impossible chorts of those in the yawl to reach them proving unavailing, it being impossible to row the boat against the sea and wind. They remained at the wreck for over an hour, before making for the shore. The hardships they endured in rowing those 15 miles in a piercing, cold gale, their clothing dripping with water, and their boat the plaything of the seething billows, may be imagined, but cannot be described. Every wave was drenching them with spray, and it kept one man busy bailing out the boat. But at last they reached Providence Bay, frozen and exhausted, where kind hearts, willing hands and the most generous hospitality ministered to their necessities and comfort.

Mr. Noble speaks of the bravery and

Mr. Noble speaks of the bravery and heroic conduct of Captain Parsons in glowing terms of praise. "Why," said he to our reporter, "when the danger was greatest Capt. Parsons was not a bit excited, but was as cool as a chunk of ice. I have sailed on the occan in all kinds of weather, but never saw a man week a nineteen months old grade steer that netted 526 lbs. of first class beaf.

VAMOSED.—W. Courtney, the feather renovator man, who visited our town during the last summer, has decamped from the last summer, has decamped from the last summer, has decamped from the last summer. The competition was bit excited, but was as cool as a chunk of the last summer, has decamped from the last summer, has decamped from the last summer. The competition was bit excited, but was as cool as a chunk of the last summer, has decamped from the last summer, has decamped from the last summer. The competition was bit excited, but was as cool as a chunk of the last summer, has decamped from the last summer, has decamped from the last summer. The competition was bit excited, but was as cool as a chunk of the last summer, has decamped from the last summer, has decamped from the last summer. The competition was bit excited, but was as cool as a chunk of the last summer, has decamped from the last summer. The competition was bit excited, but was as cool as a chunk of the last summer, has decamped from the last summer, has decamped from the last summer, has decamped from the last summer. The competition was bit excited, but was as cool as a chunk of the last summer that the last summer, has decamped from the last summer, has decamped from the last summer. The competition was bit excited, but was as cool as a chunk of the last summer that t speak in too high praise of Capt. Parsons—such a good man has no business to be mate. We owe our lives to him."

Mr. Noble also spoke in the highest

> everything in his power to do.
>
> Mr. Noble says Capt. Hill did everything that a commander could do, and shewed himself to be a brave and faithful officer during the terrible morning of

the gof the door before nine o'clock.
The Chairman asked the Principal if in parting Mr. Noble told our reporter he children were compelled to go out ter he naver encountered such a storm, although he sailed on the ocean for vears.

County Council Meeting.

WINGHAM, Dec. 8, 1880. The Council met pursuant to adjournment; the Warden in the chair. The following councillors were present:-Messrs. Webster, Griffin, Chidley, Men-

micsers. Webster, Griffin, Chidley, Menzies, Leckie, Young, Johnston, Ford, Whitley, Strachan, Hislop, Kaine, Cook, Weir, McMillan, Mason, Hays, Evans, Forsyth, Clegg, Castley Walker, Hannah, Black, Henning, Kay, Shier, Taylor, Girvin, Gaunt, Bell and Gibson. The minutes of last day June meeting

were read and approved, when the Warden addressed the Council upon the following matters, viz.:—Insurance on Grand Bend Bridge, the accoustics of the Court House, the right of way to the new Bayfield Bridge, the tenders for the gaol supplies and the payment of a salary of the Clerk of the Peace in lieu of fees. Report of Mr. LeBrun, architect, upon the necessary improvements in the court room in regard to accoustics was read and

referred to the Gaol and Court House Committee. Circular from the Clerk of the County Council of Frontenac, in reference to certain amendments to the Municipal and Assessment Acts, was read and re ferred to the School and Printing Com

Application from Judge Squier, reby Mr. Currie, that a stenographer be employed by the Clerk to take evidence at the County Clerk until further instructed by this Council; and that Rule No. 62 be suspended for the purpose of

allowing this motion to pass.—Carried.
Moved by Mr. Gibson, seconded by
Mr. McMillan, that this Council in future equalize the Assessment Rules at the January meeting; and that the June meeting be abolished, so as to lessen the expense of the County.—Referred to the School and Printing Committee.

Moved by Mr. Kain, seconded by Mr. Mason, that this council do now adjourn to meet again to-morrow at 3 o'clock, p.

Lucknow.

EPIZ OTIC. -This disease has attacked number of horses in this vicinity, but o fatal results have yet been heard of. Constable.—Mr. A. McCorvie has been appointed constable, in the place of Noil McKay, who was discharged a few

CALEDONIAN SOCIETY.-The annual election of officers for this society was held on Wednesday evening last. This society is holding a series of debates during the winter months, in which the

members are taking an active part. RAILWAY. - Our prominent citizen are making exertions to get the Grand Trunk Railway Co, to extend their line through this village to Kincardine. At present it is almost impossible to get sufficient cars on the Southern Extension to carry off the produce. Hence the necoessity of another line of railway.

ACCIDENT. - While Mr. Hutchins last Monday afternoon was edging lumber in McWhiney's steam mill he had one of his fingers of his of his left hand taken off and another badly bruised.

OHANGE. -At the December meeting of L. O. L. No. 1052, the following officers were elected for the ensuing year viz.: R. M. hoain, W. M.; W. Morrow, D. M. : J. Jentland, Chap; S. G. Pentland, Treas F. Polley, Sec: Committee:—H. Finnigan S. Pentland W. Ryan, P. Cantlon, J. Carter.

P. Cantlon, J. Carter.

S. S. Annuersary. On Thursday evening next Nile Sunday School will celebrate its anniversary by a tea meeting. Tea will be served from 5 to 7 d'clock, after which the gathering will be addressed by Revs. Davey, Leitel, Smithand Henders, and Mr. T. McGillicudy, of The Signal. Singing by the childred and the choir will also be a feature of the evening's entertainment.

Lost a Finger. On Monday, while engaged in "odging," the saw at Mo-Winney's mill came in contact with the sawyer's hand and cut him seriously. One of the fingers had to come off, and two others were bully lacerated. Dr. Taylor, who was passing at the time, carefully attended to the injured man.

Division Court in Brussels on the 18th

SOLD OUT. -F. Uren, photographer has sold his stock and business to Mr Morsehead, of St Marys.

The Oddfellows contemplate holding

their next annual concert on New Years night, the proceeds to be applied in releiving the wants of the needy of this place. The object being laudable and praiseworthy we auticipate it will be well patronized.

Mr. Walter Jackson, tinsmith of this place, had a narrow escape from losing his dwelling house on Tuesday morning last. The fire orginated in a bedroom up stairs which was heated by a pipe from a stove below. It appears that the room was occupied the children as a sleeping department, and that they accidently dropped some of the bedclothes near the pipes where they caught fire. The beds were entirely consumed togeth-er with a portion of the floor. The alarm was soon given, and the engine brought out but its services were not required, the fire having been brought under by the use of pails the other portion of the house sustained great damage from smoke and water. no insurance

Epp's Cocoa.—Grateful and Comfoliting.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Fpps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."
