

Carlow.

GONE TO MANITOBA.—Duncan McPhee, John Stirling, John Phillips, Thomas Morrish and Willie J. Old started for Manitoba last week. Thomas Morrish attended Belleville Commercial College during the winter and purposes trying his luck in the far west as bookkeeper. Duncan McPhee and John Stirling took with them a car load of cows and oxen.

Leoburn.

A COLD BATH.—Mr. Malcolm Stewart while walking to Goderich one day last week, went through the ice about half a mile from the shore. He succeeded in extricating himself, and made his way home in his wet clothes. We congratulate him on his escape.

McKillop.

ANOTHER GONE.—We regret to learn of the death of Mr. Charles Davis, Leoburn, which took place on Wednesday last. Mr. Davis had spent last summer on his farm in Manitoba, and returned home in early winter. Shortly after he took sick, and has been confined to bed the most of the time since, an affection of the heart was the principal ailment. Mr. Davis was at one time one of the most extensive cattle dealers and drovers in this section of the country, and was well and widely known. For several years he kept the Leoburn hotel, but for the past two years he has been dealing largely in Muskoka and Dakota, and during that time shipped an immense deal of stock to these countries. He was generally considered to be a square dealing and honorable man, and he will be missed in the community where he lived. His funeral takes place to-day, and the remains will be interred in the Clinton Cemetery. He was a comparatively young man, and was naturally of a strong, rugged constitution, but even the strongest must succumb to the great leveller when the time comes. He leaves a widow and several of a family. —[Expositor.]

The month of April is the time that the wise man takes a Blood Purifier. You cannot get a better or safer medicine than Dr. Carson's Stomach and Constipation Bitters. Price 50 cents a bottle. Ask your druggist about it.

Leoburn.

Farm laborers are very scarce in this locality, and wages are very high in consequence. All available hands have been engaged at figures ranging from eighteen to twenty-three dollars a month.

Mr. J. G. Murdoch, merchant and postmaster of this place, has leased the new store belonging to Mr. Rod. Finlayson, and purposes moving in his stock of goods during the present week.

Planting commenced here on Friday last. The recent warm weather has had the effect of drying up the field and removing the snow banks; and soon the farmers will be busy as bees sowing the seeds for the coming harvest.

The teachers and pupils of our school employed the afternoon of Friday last in planting shade trees in and around the school yard. This is a step in the right direction, and one which we would like to see farmers here, take on their farms. We trust that the efforts of our Ontario Government in this respect will have the desired effect in promoting the planting of trees.

MATRIMONIAL.—We had thought that the balmy winds of spring would have dispelled all germs of the marriage fever that might be lingering in this place, but our thoughts proved to be, like many of Vennor's and Wiggins' weather predictions quite astray. The latest case in this vicinity reached a crisis on Thursday evening last when Mr. Donald Gillies of 1st St. Huron, and Miss Annie Cameron, eldest daughter of Mr. Rod. Cameron, of 14th con. Ashfield, were made one. A goodly number of the friends and acquaintances of the bride and bridegroom were present at the festivities of the occasion and a very enjoyable time was spent. We wish the young couple a long, prosperous, and happy life.

The maintenance of a healthy state of the system is the surest protection against disease; experience has shown that by the use of Dr. Carson's Stomach and Constipation Bitters, a perfect state of health can be assured. They free the system of all impurities, cleanse and purify the blood. For sale by all Druggists at 50 cents a bottle.

The outrage offered to Lady Harcourt by sending her by mail a piece of the sheet upon which a woman had died of smallpox has aroused the deepest horror and indignation.

Why should a man whose blood is warm within Sit like his grandsire cut in alabaster? Or let his hair grow rusty, scant and thin. When "CARSON'S STOMACH BITTERS" will make it grow the faster. For sale by J. Wilkin.

The Bad and Worthless are never isolated or confederated. This is especially true of a family medicine, and it is positive proof that the remedy *intended* is of the highest value. As soon as it had been tested and proved by the whole world that Hop Bitters was the purest, best and most valuable family medicine on earth, many imitations sprang up and began to steal the notices in which the press and the people of the country had expressed the merits of H. B., and in every way trying to induce suffering invalids to use their stuff instead, expecting to make money on the credit and good name of H. B. Many others started nostrums put up in similar style to H. B., with variously devised names in which the word "Hop" or "Hops" were used in a way to induce people to believe they were the same as Hop Bitters. All such pretended remedies of cures, no matter what their style or name is, and especially with the word "Hop" or "Hops" in their name or in any way connected with them or their name, are imitations or counterfeits. Beware of them. Touch none of them. Use nothing but genuine Hop Bitters, with a bunch or cluster of green Hops on the white label. Trust nothing else. Druggists and dealers are warned against dealing in imitations or counterfeits.

Spring Millinery.

MILLINERY.

SPRING OPENING.

MISS J. WILSON,

Inten is holding a Spring Opening in connection with her millinery establishment on SATURDAY, APRIL 21st, 1883,

GEORGE RHYNAS,

AGENT FOR GODERICH.

TO THE FARMERS OF THE COUNTY OF HURON

GENTLEMEN.—By request of a large number of the yeomen of the County we have decided to manufacture

REAPING AND MOWING MACHINES,

in connection with our Flour business for the year 1883, which for material and workmanship will be second to none. Do not give your orders for reapers or mowers until you see those manufactured by us. We will attend all the spring fairs in County, which will give the farmers a good opportunity to inspect our machines. We will warrant our machines to do as good work as any other made. We will also have a number of good

LAND ROLLERS

for the Spring trade.

COOKING STOVES

always on hand, and will be sold cheap for cash, or be exchanged for wood. Cash paid for old iron.

SEEGMILLER & CO.
Goderich FoundryFarmers & Gardeners
SEE HERE!

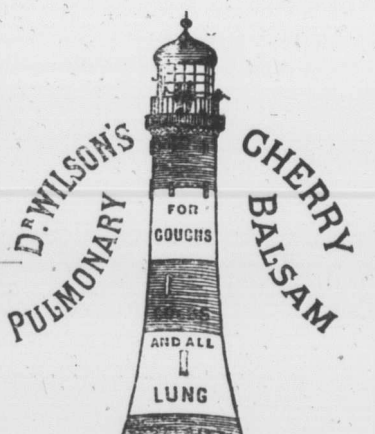

THE NEW FERTILIZER.

Cotton Seed Compound

is Cheaper, and as good or better, than most of the Commercial Fertilizers of the present day.

This Fertilizer is a real manure, not merely a stimulant, the value of which is proved by its increasing use wherever introduced. A hundred thousand tons were shipped last year to England for fertilizing purposes alone. Gardeners take notice that vegetables manured with it mature and ripen earlier than with ordinary manures.

John A. Nafel, Sole Agent for Goderich. Also Agent for Horby Climax, King of feed, took Diploma at Provincial Show last fall. March 22, 1883. 1882-Gm

J. W. BRAYLEY, MONTREAL

SCROFULA

and all scrofulous diseases, Sores, Erysipelas, Eczema, Itches, Ring worm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.
"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me. Yours respectfully, Miss ANN O'BRIEN, 148 Sullivan St., New York, June 24, 1882."

All persons interested are invited to call on Mrs. O'Brian; also upon the Rev. F. W. Wilds of 18 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. Ball, of Rochester, N.H., writes, June 7, 1882:

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a singular remedy for all blood diseases."

Ayer's Sarsaparilla

stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Eczema, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass.

Sold by all Druggists; price \$1, six bottles for \$5.
