A FRENCH CAPTAIN'S STORY.

treat this individual well, and the left ter I received from the directory inclosed another, with a huge red seal, which I was not to open until between 27 and 28 degrees west longitude—that is, just before we were about to cross the line.

The looking at her as she prayed. She raised her face to heaven, and then I saw that her eyes were filled with tears. She looked like a Magdalen. As he rose he said:

"Ah, my sweet Laurette, as we ap-

The letter was a long packet, so well closed on every side that it was impossible to eatch the slightest glimpse of its contents. I am not naturally superstitious, but there was something in the look of the letter that I did not altoward to the letter that I did not altoward the letter that I did not altoward to the letter that I did not altoward the letter that I did not altoward to the letter that I did not gether like, though I could give no reathe cabin, and stuck it under the glass fastened above my head.

clock, when who should come into my have done. cabin but the convict and his wife This was the first time I had seen either of them, and I may say that a more pre-

His crime, to be plain, was the misfortune of being a hundred years ahead ing the door impatiently with his feet, of his age. He and others had attemption while he kissed repeatedly the little ed something which the Government called treason, and which it punished with death. It therefore occasioned me considerable wonder that he should, be think if our marriage had only been placed under my charge; but more of this afterwards

He had, as I said, his wife hanging upon his arm. She was as merry as a bird; she looked like a turtle dove coond nestling under his great wing.

Before a month passed over our would sit waiting at my table-that is to say, at my chest, which was also my at my chest, which was also my tiAnd besides, we are so very rich,
He would often help me at too," she said, bursting out laughing. reckoning, and soon learned to do it better than I could. I was amazed at hls ability, His young wife would sit upon one of the round stools in my cabin, working at her needle.

"Do you know, my young ones, as it Nobody so merry as those who have seems to me, we make a very pretty nothing at all. Besides, I have my two family picture? Mind, I don't mean to diamond rings that my mother gave me; gazing down the road. Soon the rumble of unchristian men are so constantly family picture? Mind, I don't mean of diamond rings that my mother kave method ask questions, but maybe you have not they are good for something the world they are good for something the world of whe wor; we can sell them when you like; and then, I am sure that the captain of you, I think, too handsome to dig in and then, I am sure that the captain of your properties of the world below the world and then, I am sure that the captain of your properties of the world are the world and then the world are t the burning sun of Cayenne, like many a poor wretch before you. 1t's a bad knows very well what is in the letter." a poor wretch before you. It's a bad country, take my word for it. I, who have roughed it through tempest, wind, and sunshine till I've got the skin of a rhinoceros, might get along there; but you—I am afraid of you. So if you you—I am afraid of you. So if you will share to have a bit of foolish. should chance to have a bit of foolish should chance to have a bit of foolish friendship for your poor old captain, I short time—I know they have no feeling or not. tell you what I'll do; I'll get rid of this old brig; she's not much better than an old tub after all; and I'll settle down be stricken out, and now I rapped on there with you if you like. You see I the deck and called to them to do so. have not a living soul in the world to care for, or that cares for me. I want

relations, want a home, I want a family. I should like to make my home with you, my pretty ones. (What say ye?" They said nothing at all, but sat look what I said.

At last the little bird threw her arms round my neck and cried like a child.

"But," said she, suddenly pausing,
"you haven't looked at the letter with
"you haven't looked at the letter with"

I waited until night, when I descended to my cabin and opened the letter, with a dull, awful feeling. I held my breath a while I broke the big red seal and read:

"you haven't looked at the letter with"

"You haven't looked at the letter with a looked at the letter with while I broke the big red seal and read:

my mind entirely."
With a cold dreadful sensation, I

went to my chest to see where we were. mid-ocean, and you are hereby instructed I found that we had several days remain- to see that these orders are carried into ing before we could reach the proper effect longitude for opening the letter. Well, there we stood, all three of us

looking up at the letter as if it could have spoken to us. As it happened, the sun was shining full upon the face of the clock-case, and fell upon the great him to come into my cabin; and bid.

Were, she totaling upon the coean, and the gazing upon her with unutureable cholera infantum, that has yet been distondered. Covered. Its popularity increases each ought. staring red seal of the letter. I could ding her good by, he came down, his not help fancying it looked something face all smiles. like a big monster-an ogre's face, grinlike a big monster—an ogre's face, grin I was bathed in a cold sweat—I felt ning from the middle of the fire; it as if deadly sick.
