Mr. Albert Spencer, late of the Hr. Grace Boot & Shoe Factory, has accepted a position in a St. John's factory, and left for the scene of his labors on Wednesday.

Mr. S. E. Garland, the popular bookseller and stationer of St. John's, was in town on Saturday, on a short business trip.

Yesterday was one of the most disagreeable days for the winter, owing to the high wind and snow and rain of the previous night. The churches were consequently very poorly attended.

Master Grant Titford, of the Telegraph Office, is still very sick, but all his friends are hoping for a change for the better soon.

The s.s. Euphrates arrived from Bell Island on Saturday evening with men. Owing to the storm raging it was found advisable not to return at the usual hour yesterday, but she sailed at 3 a.m. to-day, bringing the men back to their work.

Mr. E. Simmons' schr. Studland, is loading lumber at the premises of the Horwood Lumber Co., and will proceed to Old Perlican in a few days to discharge.

Exhibition of Colls and Calves.

Mr. Harold Macpherson has arranged for an exhibition of colls and calves with the idea of promoting interest in stock raising. The show will take place on Empire Day, May 24th, on the Parade Grounds. The animals stired by Statesman and Covenant will be allowed to compete, both these animals were imported a few years ago especially for breeding purposes. The prizes offered by the owners of Westernland Farm will be \$100 and \$50 for two year and yearling colls, respectively, and \$20 and \$10 for calves. The exhibition will, no doubt, prove a splendid success, as there are some beautiful animals to be shown.

Wealthy Newfoundland Young Woman

Who is Going Abroad as a Nurse.
New York, April 12.—"For the honor of my family the least that I can do is to go abroad to act as a Nurse. I have no brothers and my sisters are too young to do anything to help others. My parents are dead, why should I not do share in the great work?"

So spoke Miss Elsie Doyle, who arrived here yesterday aboard the steamship Stephano, of the Red Cross Line from Newfoundland.
Miss Doyle is said to be one of the wealthiest young women of Newfoundland. She is a niece of the late Hon. John Harris, President of the Legislative Council of Newfoundland.
She is going to London to report at the Queen Alexandra's Imperial Hospital Service, and believes she will be assigned to duty on the firing line in France.
"At least, that is what I hope will be allotted to me," she said.

How to Grow Hair.

The French are now placing on the market a preparation containing the extract from Henna leaves, which is having a phenomenal sale.
This preparation is called Salvia and is being sold with a guarantee to cure dandruff and to grow hair in abundance. Being daintily perfumed, Salvia makes a most pleasant dressing. Sold by your druggist. A large generous bottle for 50 cents.

Everyday Etiquette.

"Should I always see the mother of my friend when leaving after a call?" asked John.

"Having been entertained in the home of a friend, do not leave the house without meeting the mother of your hostess and expressing appreciation of the hospitality," said his sister.

Here and There.

BANQUETS WOUNDED SOLDIERS.—Banquets are being given to-night by various societies in honour of their fellow members and soldiers who were invalided home yesterday.

FIGHTING THE FLAMES.—At the big fire that destroyed Newton Park School, Ayr, our boys played a prominent part in fighting the flames. While saving the books and records of the regiment from the orderly room Corporal Oscar Vaughan was struck by a falling slate inflicting a deep gash in his arm. The slate missed his head by a few inches. Several others received slight burns, but not of a serious nature.

OVER THE ALLOTTED SPAN.—Mrs. Freeman, mother of Mr. T. J. Freeman, Water Street, who has reached the ripe old age of 88, is seriously ill at her home. Mrs. Freeman's maiden name was Grant. She was born in Piacenza. She comes from one of the longest lived families in the country. Her father lived to be 95; her grandfather, 102; an uncle, 97, and a long line of relatives reaching ages of 70 to 90 years. Mrs. Freeman met with an accident five years ago, breaking her hip. Every hope is held out for her recovery.
