

## **Another Tribute to** Three Flowers Talcum

"I never did use ANY Talcum Powder because my husband objected to my doing so. It occurred to me to try Three Flowers (Clendestinely), and I've been using it ever since, with the result that my husband after questioning me, has become a user, and now we both agree that we can't resist such a delightfully un-

(Extract from a testimonial for Three Flowers Talcum sent in by a prominent woman of St. John's.)

Ever read these tributes. New ones appear from day to day. They are genuine, original and full of human interest.

The people in every corner of Newfoundland to-day knew the condition of affairs as they have been, and it was their duty on June 2nd to have their minds made up one way or another. An election was thrust upon them, they were thoroughly acquainted with the facts, and deep down in their own their native country, decide what they honestly believe right. The issue was the clearest ever yet placed in the hands of the electorate, and Mr. Higgins summed it up in the words "a vote for the Government means ap- plause in which the electors of Bay de
