Dr. Wistar's Balsam of Wild Cherry Dr. MISTAY'S BAISAM OF WIRE CRETTY.

In the whole history of medical discoveries no remedy has performed so many or such remarkable cures of the numerous affections of the throat, lungs and chest, as this long-tried and justly celebrated Baisam. So generally acknowledged is the superior excellence of this remedy, that but few of the many who have tested its virtues by experience fall to keep it at hand as a speedy and certain cure for sudden attacks of cold—fully helieving that its remedial powers are comprehensive enough to embrace every form of disease, from the slightest cold to the most dangerous symptom of pulmonary complaint.
