Those lots on Tyrcathlen Terrace are well
suited for genteel residences, and will
only be sold to those who will bargain to put
up good buildings.

Plans of the Lots can be seen at my office
and particulars learned.

Terms very liberal. Purchases made
this Fall, interest on balance of purchase
money will not commence until April,

Town and County News

A GOOD PRICE.—Mr. A. Aitchison, of
Pikington, has sold a grade cow to Mr.
George Hood, of Guelph, for the hand-
some sum of \$120.

BASE BALL.—The boys of the Separate
School defeated those of the High
School on Saturday last, at a match
game of base ball by a score of 33 to 32.

TO-MORROW.—Mr. A. O. Bucham adver-
tises a great clearing sale of Silks, Dress
Goods and Velveteens, commencing to-
morrow and continuing during exhibition
week.

ROYAL HOTEL.—This popular Hotel has
been enlarged by the addition of a run-
ning commodious bedrooms, which add
greatly to the accommodation of the
House. The bedroom accommodation
this week has been increased by 40 beds.

Mr. Gordon is giving up hopes of his
Crazy Acting customer, and now fears he
cannot furnish the asinine reporter with
a Scotch collar. A look at the ears of
the animal convinces him that an ordi-
nary sized article wouldn't go over his
head. He is ready to fit him with a
Dutch collar, however, whenever he
leaves his measure.

THE HERNDON'S appear this evening at
the Drill Shed in their opening enter-
tainment, with the play of "Kathleen
Mavourneen," to be followed with the
farce, entitled "The Spectre Bride-
groom." We need not say anything in
praise of this troupe, but merely draw
attention to their motto: "Hear us first,
then praise us."

S. S. TEACHERS' PIC-NIC.—"Paradise"
was visited on Friday by the Teachers of
Knox Church Sabbath School, together
with their friends, numbering in all be-
tween fifty and sixty persons. After the
return of the party from the scene of en-
joyment, the company repaired to the
residence of the pastor, Rev. W. S. Ball,
where the evening was spent in a pleasant
manner.

"SHINE YER BOOTS?"—The voice of
the boot-black is heard in the streets, and
on his way show-ward the passenger
meets the ragged young urchin who
shouts "Shine yer Boots?" with as much
cheerfulness as a gale. They'll
do a "fat" business we rather think, and
we give them the benefit of printers' ink,
in order that folks who would otherwise
look as if they had come from an out-
the-way nook away back in the country may
get their boots brushed in true city style
and make the boys "flushed."

A SAD ERRAND.—Mr. Charles Maddock,
who had been visiting at home when he
returned to play in the Maple Leaf team
last week, was this morning recalled by
telegram on account of the death of his
father at his home in Seaforth. Mr. Mad-
dock had been sick with typhoid fever for
some time, but until yesterday ap-
peared to be rallying. Our young friend
is sure to have the sympathy of the en-
tire community in his bereavement.

AN ARTESIAN WELL FOR TIVERTON.—A
movement is on foot to sink an artesian
well in the village of Tiverton, and
already some \$700 have been subscribed
for the purpose. At a recent meeting a
proposition was made to bore to the
depth of five hundred feet, for \$1,000,
and after a personal canvass of the citi-
zens and farmers the work will probably
be proceeded with. At present the de-
mands for water are great, as not only
families suffer from the scarcity, but
mills and factories cannot properly carry
on their work. The village is also in
imminent danger from fire, having no-
thing in the shape of water works.

PRESENTATION.—It affords us a pleasure
to record a very pleasing incident which
transpired on Friday evening last. Mr.
Wm. Jones, who has been in the employ
of Mr. George Jeffrey, merchant, for the
past fourteen years, being about to
leave Guelph for Milwaukee, a number of
his friends proceeded to the residence of
Mr. Geo. Howard, where Mr. Jones re-
sided, and presented him with a very
handsome set of gold studs accompanied
by an address beautifully engrossed upon
parchment. The address, to which the
names of Messrs. G. D. Pringle, Wm.
Anderson, W. Heffernan, R. Mitchell and
Charles Alder, were attached, was
read by Mr. G. D. Pringle. Mr. Jones
made an appropriate reply, after which a
very pleasant evening was spent in his
company. Mr. Jones left for Milwaukee
the following morning, and carries
with him the best wishes of all his friends
in Guelph. We wish him all
success in his new field and feel satisfied
that among our American Cousins he will
soon become as general a favorite as he
was in Guelph.

A PRINTING PARODY.—Lives there a
man with nose so red who never to him-
self hath said, "I'll pay before I go to
bed the debt I owe the printer?"—Brad-
don Republican. Yes, there are some I
know full well, but they, I fear, will go to
—well—the place where there's no winter.
—Panda Star. You're blind, dear Star,
your reason's dim, or you'd not argue
such a whim; for e'en Old Nick would
not have him who fails to pay the printer!
—Tupelo Journal. We're glad that now
the means are found to bring the back
subscribers round—so when you've rec-
your course of years, pay then at last
your full arrears; but no arrears to have
to pay is better far, we think and say—
Land Owner. Not quite so fast, sweet
fellow, you cannot mend the matter
thus; for though the "means" are good
as honey, we'd like to see you get your
money.—Ingersoll Chronicle. Now, why
this thushness, brother quills? You needn't
take so hard the ills which printers' flesh
is heir to: your patrons are good fellows
all, but lest you wait until next fall, they
can't obey your suppliant call—and worse
than that, don't care to!—GUELPH MER-
CURY.

BOY DROWNED.—An unfortunate oc-
currence took place at Oakville on Sat-
urday afternoon. The son of Mrs. Fer-
guson, a widow, of that town, was drowned
while bathing near the wharf. The de-
ceased was about ten years of age.

The circulation and specie report of
last week shows an excess of specie of
\$284,300.95.

The authorized discount on American
invoices is 9 per cent.

A DOUBLE deaf and dumb marriage
took place in Prescott, a few days since,
the brides being sisters from Osgoode
and the grooms from Ottawa.

Local and Other Items.

MILL BURNED.—Emma's shingle mill,
on the Portenquishere road, near Paris,
was destroyed by fire on Friday night.
It is supposed to have caught from the
surrounding bush fires.

MINERALS.—On Tuesday, the 1st inst.,
one of a party who camped on an island
in Muskoka lake, not six miles from the
mouth of Muskoka River, discovered a
large quantity of magnetic iron ore, or
magnetic pyrites.

DESTRUCTIVE FIRE IN CORNWALL.—A
fire in Cornwall, on Sunday, destroyed
Grilly & Co's. paper mill. Hodge's plan-
ing mill, Adams' saw mill, together
with the mill of the Dundas Cotton
Manufacturing Company. The total loss
cannot fall short of \$250,000.

A HAPPY EVENT.—Grip, of last week,
has the following: "Married.—In Elms,
by the Rev. Robert Renwick, Mr. Robert
Jolly, merchant, West Moncton, to Miss
Annie Goughly, of the same place. Some
spinsters of the 'sour grapes' style
Say matrimony's folly!—
But where's the 'il of sense who'd not
Go lightly to be Jolly?"

FATAL ASYLUM.—As the steamer Fri-
day was lying at the wharf on Friday
evening in Chatham, N. B., two steerage
passengers had an altercation, when one
of them, sailorlike in appearance, im-
mediately plunged a knife into his antagon-
ist, making a gash of six inches deep
and an inch and a quarter wide. The
unfortunate man died the following after-
noon.

THE OTTAWA RIVER was never known to
be so low as at present, and some of the
saw mills have not more than enough to
run all their gates. Four mills have
been shut down and others will soon
follow suit. The lumber yards are
crowded, and it is calculated there are
over three hundred millions feet of
manufactured lumber waiting sale on the
Ottawa this fall.

TWO YOUNG LADIES DROWNED AT STRATH-
ROY.—A sad accident occurred at four
o'clock on Saturday afternoon, about eight
miles from Strathroy, in the township of
East Williams, by which two young la-
dies, named Emma and Mary Fletcher,
aged respectively 23 and 14, daughters of
Hugh Fletcher, were drowned in the Sa-
ble River. It appears the youngest went
into the river to drive some geese out,
and while endeavoring to do so got into
a deep hole. The elder sister went to
her rescue, and both were drowned before
assistance could be obtained. The bodies
were recovered shortly afterwards.

WILD CHILDREN IN CANADA.—The
Spectator gives an account of three chil-
dren being taken wild off an island in
Lake Huron. They were found, it is al-
leged, by Father Chertier, of the Owen
Sound Mission, and conveyed to Hamil-
ton voluntarily by their father, who with
his singular children were the only in-
habitants of the island. The children
can speak no language, and know no-
thing whatever of the habits of civilized
life. They have been suffering from a
cough since their removal to the Orphan's
Home in the city and it is said will not
survive the change long.

RAILWAY PIC-NIC.—The first annual
pic-nic of the employees of the W. G. &
B. R. B. was held at Southampton, on
Friday, with great success. Two excur-
sion trains, containing over a thousand
persons, arrived between eleven and
twelve o'clock, when the crowd repaired
to the pic-nic grounds, which were fitted
up very tastefully by the employees of
the road, assisted by the inhabitants of
the town. The brass band of the 30th
Battalion accompanied the party. The
usual games, dancing, &c., were indulged
in, after which the assemblage was ad-
dressed by the Superintendent and others.
The party left by train for their
homes early in the evening, delighted
with the day's proceedings.

A DARING FEAT.—E. P. Harrington,
the famous diver, proposes to walk into
the Detroit river at the foot of Belle Isle,
