COMMITTEEMEN IN CONFERENCE THE DEADLY PARALLEL.

The City Solicitor Cannot Draw Up a New Huckster Bylaw—A City Chimney Sweep To Be Ap-pointed—The Weigh Let every unprejudiced reader study the ositions which the London Free Press has taken in regard to the bogus votes in the Ald. Moule in the chair, Mayor Spencer, Ald. Wm. Heaman, John Heaman, Fitzgerald, Parnell and Hannah and Secretary Bell attended last evening's meeting of No. 3 Committee. The matter of abolishing the wood market, referred back by the Council, was laid over until the next meeting of the committee, as was also the matter of having the relief wood measured by the relief inspector. In Toronto there is no wood market and in Kingston it forms a part of the general market. A communication offering a lot at the corner of Wellington and York streets for a wood market was filed.

With regard to the new huckster bylaw the secretary reported that the solicitor had informed him that he could not draw up the required bylaw, the market being a free one. The chairman will confer with the solicitor. Hucksters selling on the market in future will probably have to purchase a license at a large cost.

John Mullin, wood market clerk, submitted a report for a portion of the month. course of little over a month. We place its views in parallel columns:

[Attitude of Free Press, | [Free Press, March;

All the forced incombination of the Court of Appeal as just what its party friends wantied, and expressed its assurance that they would win the election on the honest voters list, and were most anxious that the man the remarks anxious that the man the remarks anxious that the remarks anxious that the man the remarks anxious that the man the remarks anxious that the man the remarks anxious that the remarks and were remarks and the remarks

of 314."
And that there might be no mistaking its verdict, the Free Press

purchase a license at a large cost.

John Mullin, wood market clerk, submitted a report for a portion of the month. Health Inspector Bell suggested that the committee appoint a chinney sweep, and that an office be provided wher orders might be left. He complained and his office was made a general intelligence office. The committe will advertise for applications for a chinney sweep.

Tenders were received for renting the city weigh scales. Last year the tender accepted was for \$855. Burgess Howlay's tender this year was \$610; Joseph Dean, \$712; George Phillips, \$705; H. W. Healey, \$635; Jesse Cook, \$617.75; S. W. Fawcett and George W. Francis, \$023; W. Ironsides, \$631; Alex. Cameron, \$687; Wm. Hynd, \$720, and Donald Dodd, \$729. H. W. Healy rented them last year, and there was no complaint of any kind to be offered. Heretofore the same man has held the scales as long as he gave satisfaction. Ald. Parnell moved that the tender of Donald Dodd be accepted. Carried.

Chief Roe reported that the hook and ladder truck was practically going to pieces, and that it was not strong enough to carry the load it has to, and also that the 50-foot ladder was not safe above 40 fect. A 60-foot ladder and truck would cost about \$2,800. The committee will witness the department put up their ladder some day this week and examine the truck carefully.

Inspector Bell and Ald. Parnell will pro-On Feb. 19, Mr. Carling's friends were hopeful they could win without the begus votes. In that case the bogus votes would not have been counted, and our unfortunate contemporary would not have been forced into the plight in which it now finds itself. Mr. Carling was defeated, with the "220 names out of the way before polling day," and then Judge Elliot got in his fine work. He had been arguing on the streets and through the columns of the Free Press, that Mr. Carling should have the seat, and even though they were previously demolished—and rightly so, the Free Press being our authority—by the unanimous judgment of the two superior courts. The Free Press is equal to the emergency, too. It supported the judgment of the superior courts so long as there was a chance of getting Mr. Carling to Parliament without the bogus vote. But the moment the bogus votes are required it as cheerfully reverses its position, and assumed that all its preelection arguments must be upset! The uphelders of the outrage are paying a big price for their hollow victory, and the end is not yet. On Feb. 19, Mr. Carling's friends were Inspector Bell and Ald. Parnell will pro-Inspector Bell and Ald. Farnell will pro-cure the necessary stamp for stamping bread as soon as the bylaw is passed. Complaints were made that the market clerk did not keep the market buildings and sidewalks in a satisfactory condition. No action.

The Council will be recommended to call for tenders for one electro-mechanical gong, 4 foot-trip gongs, 25 pounds of office wire, 10 pounds okonite wire, 5 pounds kerite wire, 2 pairs of magnets and 6 lachanghe cells.

A Pleasant Herb Drink.

The best cure we know of for Constipation and Headache is the pleasant herb drink called Lane's Family Medicine. It is said to be Oregon grape root, combined with simple herbs and is made for use by pouring boiling water onto the dried roots and herbs. It is remarkably efficacious in all blood disorders, and is now the sovereign remedy with ladies for clearing up the complexion. Druggists sell the packages at 50c and \$1.

The coats mentioned in the Bible were square garments of fine lamb's wool, worn by every Isrealite. There was a hole in center for the head to go through, and it hung down before and behind. It was a coat by day, a covering by night and a siroud in the grave. If seized by a creditor it had to be returned by sunset.

to Lumsden & Wilson, Seaforth?

Last spring when I called on you for a bottle of your Cough Remedy, Royal Glycerated Balsam of Fir, I was almost giving up in despair. I had tried a great many different things, but got no better, and really thought I never would get over it, but your Balsam of Fir cured me entirely. It is the best cough medicine I ever tried. I recommend it to every person I meet needing such a remedy.
